

ILL TO REVISE THE STATE CONSTITUTION HITS SHOALS OF OPPOSITION IN SENATE

The administration-backed constitutional revision bill, which passed by a victory in the House, struck the shoals of Senate opposition today.

Sen. Rowland B. Mahany, Republican floor leader, flatly predicted the measure would have "rough sailing" in the upper chamber despite the support of Gov. John S. Fine.

"I believe the people should not vote on whether a constitutional convention should be held and also elect delegates at the same time," he told a newsmag.

PROP BOMBS IN DOORSTEP OF MANCHURIA

Seoul (AP)—Allied fighter-bombers roared almost to the Yalu River today and dropped their destructive bombloads right at the doorstep of Manchuria.

The U. S. Fifth Air Force said warplanes laid waste to a Red communications center just south of the Yalu and flattened 17 buildings of a training center in the heart of MIG Alley.

Four Thunderjets swept far to the east and knocked out a rail bridge and destroyed seven buildings near Tanchon on the east coast.

Swift U. S. Sabre jets, flying protective cover for the slower fighter-bombers, probably destroyed one Communist MIG15 and damaged five others, the Air Force said.

The probable was credited to Col. Royal Baker, McKinney, Tex., by U. S. jet ace still flying in Korea. Baker has shot down 10 MIGs and one prop-driven LA9, and damaged one MIG in addition to today's.

The U. S. battleship Missouri landed 140 miles north of the Yalu on the east coast and blasted Red coastal targets with 16-inch guns. The Navy called the attack "heavy" and said the mighty Mo concentrated on Communist bridges and tunnels.

Brother Grilled In Death of His Sister

Harrisburg (AP)—Jean Christoff, 34-year-old brother of a strangled Pennsylvania State College coed, is undergoing intensive questioning today to see if he can clear up the mystery of his sister's death.

The former Carnegie Tech engineering student was found in an abandoned coal mine yesterday less than two miles from his home near Frugality in Northern Cambria County. He disappeared Feb. 17, the day the body of his sister, June, 21, was discovered.

Dist. Atty. Fred J. Fees and state police questioned young Christoff four hours last night. He denied knowing anything about his sister's death. Fees said, but admitted six burglaries—three each in Cambria and Blair Counties.

His sister was strangled with a cloth belt from one of her old dresses. A coroner's verdict is being withheld pending full questioning of Christoff.

The father says he believes his daughter committed suicide.

Agreement Signed Between Architects And Brokenstraw Joint School District

Officials of the Brokenstraw Valley Joint School District received word from Harrisburg over the week end that a professional agreement between the Public School Building Authority, the Brokenstraw Valley Joint Board, and Hanna and Stewart, architectural firm from Meadville, has been signed, setting aside \$500,000 for new construction in Youngsville.

Supervising Principal Paul R. Gatts said yesterday with the receipt of this news, it is hoped that the project for remodeling and adding to Youngsville high school can be advertised for bids by June 1.

The total set aside for the work to date is \$624,240, which includes the work of construction, the architect's fees, and new furniture and supplies for the new rooms.

Preliminary plans have been approved by the board and the Department of Public Instruction, as well as the Public School Authority, and the architects are now at work on final drawings and specifications. If bids are within the projected costs, work may get under way on the school this summer with occupancy by September, 1954, at the earliest. If bids are too high, additional delays will be encountered, officials said.

Present plans call for extensive additions to the present high school, the White building. The extension will join at the rear and extend north and east. It will consist of three science laboratories, other laboratories, a library, a music room, nine general classrooms, a conference room, a new gymnasium with double playing floor and seating capacity of about 800, girls' and boys' locker rooms.

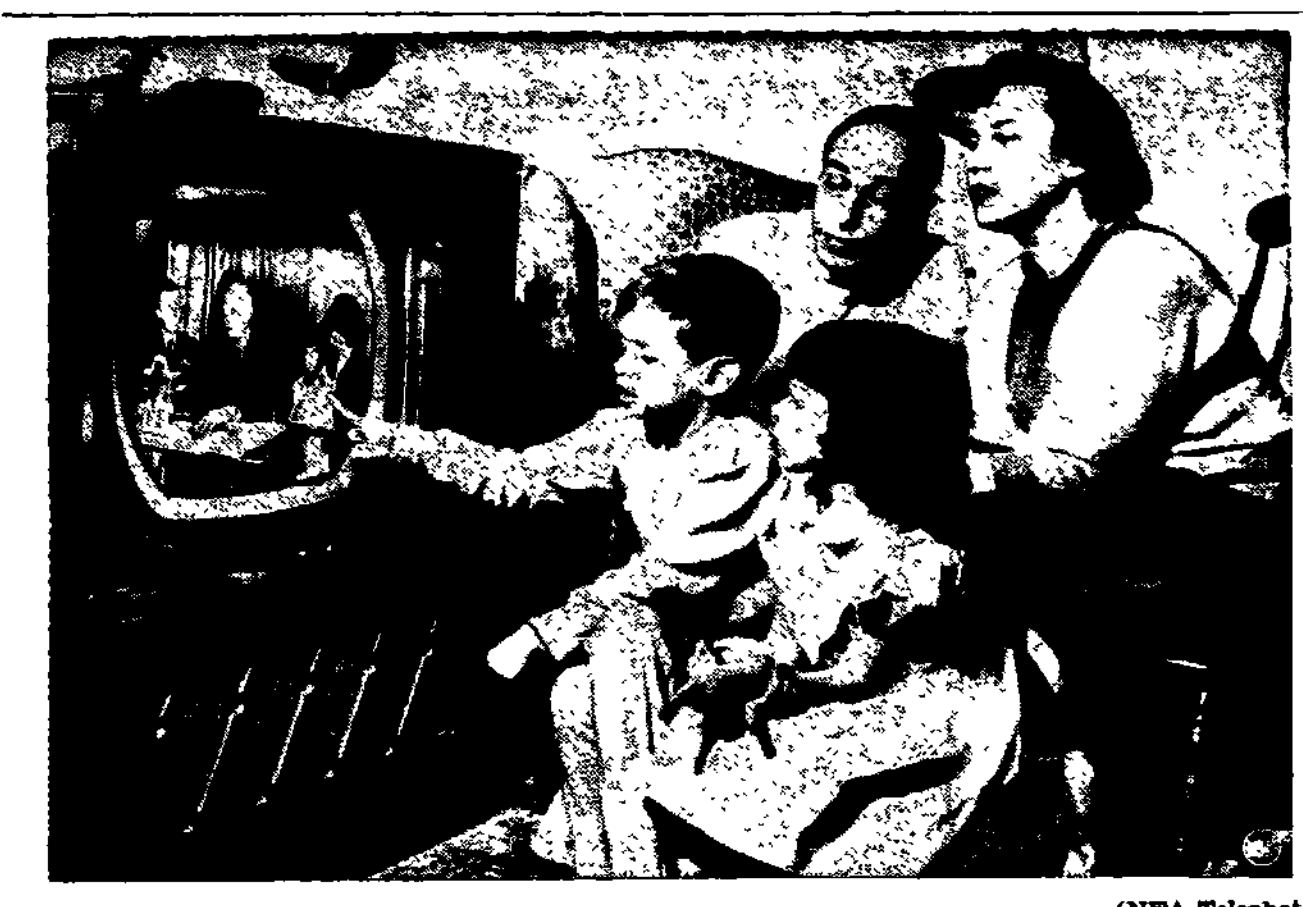

In the present building, the seating capacity of the school auditorium will remain the same, but the stage will be enlarged. However, an art room will be made in the present library; an office and health suite in the present typing room; a home economic suite from rooms one, two and three; and a commercial department in rooms six and seven.

In the Currie Industrial building, minor remodeling will be done, creating an agriculture shop on one floor and a general shop on the other floor of the structure.

The present elementary building will be used for grades only and will remain as is except for the remodeling of the present locker rooms into an enlarged cafeteria and kitchen.

General Van Fleet Arrives in Washington to Reveal His Ideas on Stalemated Korean War

"SISTER" STARS WITH PRESIDENT—Vincent Giardina, 5, points to his sister, Susie, 6, who appeared with President Eisenhower in a filmed television appeal opening the 1953 Red Cross Drive for \$93,000,000. Susie, a victim of Mediterranean anemia, receives blood from the Red Cross every few weeks. Watching with the children in their New York home are their parents, Mr. and Mrs. William Giardina.

GREETED BY HONOR GUARD AND SALUTE

Washington, (AP)—Gen. James A. Van Fleet arrived from Korea's frozen battle-front today and immediately went into a White House conference with President Eisenhower and top ranking military leaders.

Van Fleet arrived at the Washington National Airport in a cold, drizzling rain and after brief ceremonies was taken to the White House.

He was met at the airport by Secretary of Defense Charles E. Wilson, along with members of the diplomatic corps and representatives of the President and members of the United Nations.

An honor guard of several hundred troops of the three armed forces and a saluting battery welcomed Van Fleet as he stepped from his plane.

The 60-year-old general, moving toward retirement March 31, brings with him an expressed conviction that a United Nations offensive in Korea could "certainly" be successful. He contends the stalemate is one of the U. N.'s choosing and not the enemy's.

In advance of Van Fleet's scheduled arrival shortly before noon, two Democratic senators today quoted Gen. Omar N. Bradley as having said that neither side can launch a successful offensive in Korea. They were Senators Gillette (Ia) and Humphrey (Minn.).

Plans called for Van Fleet to be whisked from the National Airport to the White House for a 30-minute talk with Eisenhower alone in the President's office. Then was to follow a whirl of (Turn to Page Seven)

Would Permit Serving Olee in Institutions

Harrisburg (AP)—State institutions, such as hospitals and prisons, would be permitted to serve oleomargarine to inmates and employees under a new bill before the Senate.

The measure went to the Agriculture Committee for study after its introduction yesterday by Sen. Robert D. Fleming (R-Allegheny).

The serving of colored margarine still would be banned in restaurants and other public eating places. The sale of yellow oleo in one-pound packages for home consumption only was approved by the 1951 General Assembly.

MASS RALLY IS DISPERSED BY OFFICIALS

Tehran, Iran, (AP)—New tensions built up in riot-plagued Tehran today as fanatic Moslem leader Ayatullah Seyed Abolghassem Kashani ordered his followers to boycott a Parliament meeting at which Premier Mohammed Mossadegh had been expected to demand a vote of confidence.

A Communist-front group, "The National Organization to Combat Imperialism", called a mass rally in Parliament Square for this afternoon, but police cordoned off the square and dispersed crowds attempting to demonstrate.

Police cars equipped with loud speakers cruised through the streets reminding the city's people that the prevailing martial law does not permit rallies.

At various points, officers broke up small groups of demonstrators with clubs and rifle butts. They made some arrests. A few girls were among the prisoners.

After the weekend street fighting, Tehran seemed relatively calm. Kashani, Parliament speaker and in recent months on the outs with the Premier, issued his boycott order after the new Mossadegh-appointed army chief of staff installed a new chief of the guard at the Majlis Building. Kashani contended this left the deputies without proper protection.

Though heavily-armed guards today ringed the building—in which a bloc of 26 Mossadegh supporters have been camping since Saturday night—Kashani's order prevented a quorum and by noon no meeting had been held.

The Premier had been expected to demand the confidence vote to re-establish his position after the week-end demonstrations. These broke out after it appeared that Mossadegh might force 35-year-old Shah Mohammed Reza Pahlavi to leave the country. The Shah cancelled his trip after the rioting started.

The pro-Shah demonstrators were largely replaced yesterday by crowds cheering for the Premier.

Wild Turkey Project For Chapman Park

State Senator L. E. Chapman today advised the Times-Mirror that the Department of Forests and Waters has announced that it will fence off fifty acres of a section in Chapman Park, for the breeding and raising of wild turkeys.

The Department discovered on investigation that the portion of the park to be used in the project will provide a natural habitat for the birds. Work on constructing the fence will be started in the very near future.

Board Decides to Perpetuate Name of Old School Building At Jefferson and Conewango

At last night's meeting of the Warren Board of School Directors, it was decided that the new building in Conewango avenue will be known as the Jefferson Street Elementary School, perpetuating the name of the old building upon whose site the new structure is being built.

The Board members discussed use of the new school, which will be ready for occupancy in September, and laid tentative plans for some of its classrooms to be occupied by the over-flow from Beaty Junior High school until such time as the new addition to Beaty is completed. It was decided to wait for a year or two before painting the walls in the new school.

Discussion of beginners' registration was under way last night, somewhat earlier this year because of the new Jefferson building, and the Board approved substitute time for the principals in arranging reallocation of students.

Plans for Warren High school commencement were considered and Dr. Arthur J. O'Connor, a new member of the Board, was named to present the 1953 diplomas.

Receipt of \$826.82 from the state for the January lunch program was reported, as well as \$2,068 for 1952 vocational education, this being a reimbursement for the evening school program, homemaking, wood-working and distributive education. The board received \$15 from Magistrate Tracy M. Greenlund, \$3 for a fine in illegal absence and \$12 as part of public intoxication fines, the State providing that a portion of the latter fines go to the schools.

Announcement of the forthcoming evaluation of Warren High school was made, although this will not take place until March 16-18, 1954, according to information received by Principal Floyd W. Bathurst from Dr. Ira Kraybill of the Pennsylvania State Department of Education.

Routine dental and medical reports were made, and it was revealed that January attendance was 95 per cent, the same figure as from 1948-51, although 1952 and the committee attitude on a book he wrote at about the same time defending socialists and what he termed "Communists with a small C."

He defined a Communist with a small c as a Marxist not then recognizable as under Soviet domination.

McCarthy Accused Of Unfair Practices By State Official

Washington (AP)—Reed Harris, a State Department official, accused Sen. McCarthy (R-Wis) today of running an unfair investigation of the Voice of America, and told him:

"It is my public neck you are very skillfully trying to wring."

McCarthy heads the Senate Investigations Subcommittee which is looking into the activities of the State Department's overseas information program, including radio broadcasts by the Voice.

Harris is acting chief of the International Information Administration, the Department agency concerned.

Today's hearing was televised, from a crowded court-like hearing room in the Senate Office Building.

Harris protested bitterly at the public airing of his suspension from Columbia University in 1952, and the committee attitude on a book he wrote at about the same time defending socialists and what he termed "Communists with a small C."

He defined a Communist with a small c as a Marxist not then recognizable as under Soviet domination.

Death in Electric Chair To Be Asked In Butler Murder

Butler (AP)—A Pittsburgh auto mechanic and three other men are charged with murder today in the strangulation death of Mrs. Alice Marie Storch, 49-year-old Butler County housewife.

Dist. Atty. Clark E. Painter said all four admitted playing parts in a plot to kill Mrs. Storch. Painter said he will ask death in the electric chair for all four.

Painter declared "there is another woman in the case" but declined to reveal her name. He said the husband, Ernest Storch, 50, a mechanic for Gulf Oil Corp. in Pittsburgh, has admitted seeing the other woman.

The district attorney said Storch promised to pay three Pittsburgh negroes \$10,000 for slaying Mrs. Storch and made them a down payment of \$2,500.

Painter identified the three men, all under arrest, as Richard Haines, 28; Walter Henderson, 25, and Russell Budd, 28.

A preliminary hearing for the four men will be held soon but the case probably will not be presented to the Butler County grand jury until June.

The district attorney revealed Storch has been in custody since last Wednesday, the day of Mrs. Storch's death, and that Haines and Henderson were netted in police trap Friday night in Pittsburgh. Budd escaped the same trap in a flurry of gun shots and was arrested yesterday.

Six Dead in a Flash Fire in New York City

New York (AP)—At least six persons—five of them women—perished in a lightning-quick fire that flashed through a Bronx furniture factory today. Firemen said "there may be more loss of life."

The six bodies were brought out by gas-masked firemen, who braved flames and dense smoke to rush inside the two-story structure at River Ave. and 150th St.

Scores of panicky workers fled from the building when the blaze broke out.

Some were slightly hurt in their dash to the street.

The furniture company, the Utility Airline Manufacturing Co., was situated on the ground floor, and employed 120 men and women.

A. F. L. Suggests Repeal of Numerous Parts of Labor Law

Washington (AP)—Repeal of practically all major provisions of the Taft-Hartley labor law was urged on Congress today by the American Federation of Labor.

A 15-page statement prepared by AFL President George Meany for House Labor Committee hearings closely paralleled recommendations made public recently by the CIO. The effect of the proposals would be to return the basic labor law largely to the framework of the Wagner Act, which the Taft-Hartley Act modified in 1947.

Declaring there should be minimum government regulation of employer-employee relations, Meany recommended repeal of the 80-day emergency strike injunction provisions of the present law. Instead, he said, the government should rely on mediation and conciliation—or persuasion—to settle the big strikes.

He also suggested voluntary arbitration, or the willing submission of issues to a third neutral party for a recommended solution.

IT'S THE ALL-AMERICAN RED CROSS!

It's the all-American Red Cross because it helps all people. Last year one out of every ten persons in the U. S. received some kind of Red Cross assistance or training. Servicemen and civilians alike benefited. Patients in one out of every two hospitals in the U. S. got blood through the Red Cross. Sufferers in floods, fires, tornadoes and other disasters received Red Cross help.

Will you give generously this year—and wear the Red Cross symbol to remind others to give?

Board of Health Announces Changes In Quarantine Law

The Warren Board of Health has announced that certain rules and regulations of the Pennsylvania State Department of Health, and adopted by the local Board, pertaining to the change of quarantine laws for certain communicable diseases become effective today.

The chicken pox quarantine is for seven days from onset or until fever and swelling are subsiding. Contacts are not held and there is no placard.

As for mumps, the quarantine is for 10 days from onset or until fever and swelling are subsiding. Contacts are not held and there is no placard.

The quarantine for acute poliomyelitis is a minimum of seven days, or for duration of fever if longer. A placard is necessary and contacts under 13 years of age are held for 14 days. Food handlers are restricted.

The quarantine for scarlet fever is a minimum of seven days and shall be prolonged until complete recovery from all catarrhal or purulent discharges incident or secondary to the disease, or until three days after beginning of adequate and effective therapy. A placard is necessary and contacts under 13 are held for seven days.

COMMITTEE ADOPTS ENSLAVEMENT BILL

Washington (AP)—The Senate Foreign Relations Committee today approved 8 to 6 a revised resolution condemning Russia for perverting World War II agreements and enslaving peoples.

Pittsburgh Symphony Orchestra Thrills Capacity Audience at Library Theatre

William Steinberg, conductor of the Pittsburgh Symphony Orchestra, should feel good today. No orchestra ever received a more enthusiastic reception than did his group of 86 musicians when they presented the first major symphony concert heard in Warren in over 30 years last evening under the auspices of the Junior Chamber of Commerce, before a crowd that filled Library theatre almost to capacity.

All who heard the performance feel good, also, nothing but praises being heard on all sides today for the splendid program played.

Playing a program which was pretty much familiar to the audience, the orchestra gave a vivid demonstration of the difference between hearing a record and witnessing a live presentation. So insistent was the audience that Mr. Steinberg was called back again and again to acknowledge having the orchestra conclude the program with the full concert arrangement of the Strauss "Emperor Waltz."

However, if two more musicians had been added to the group, the back wall of the theater would probably have been pushed out. There was just enough room and no more. This in no way detracted from the enjoyment.

Warren Jaycees are to be congratulated on the undertaking, and can add another leaf to their cap of laurels in bringing to Warren the best of everything.

The orchestra left for Olean following the concert, and will play in that city this evening on one of the stops en route to New York, where it will play Friday evening with Isaac Stern as soloist. It will be back in this area on Friday, March 13, to appear in the Erie Civic Music Association.

German Museum in Munich Is Planning Petroleum Exhibit

Scenes of the early petroleum industry soon after its birth in Pennsylvania 94 years ago will be on display shortly in a new department of the German Museum in Munich.

The pictures are a half dozen prints of photographs made by the pioneer oil photographer, John Mather, whose negatives are a prized part of the collection in the Drake Museum at Titusville, Pa., site of the world's first well drilled for oil.

Friends of the German Museum saw reproductions of the Mather pictures on covers of The Producer Monthly, a petroleum production magazine published at Bradford, Pa., and wrote to the editor, G. G. Bauer, who obtained the prints through the Drake Museum. Headquarters of the Pennsylvania Grade Crude Oil Association in Oil City, Pa., forwarded the prints and explanatory notes to Germany, sending also a complimentary copy of the book, "Early Days of Oil," a pictorial history of the beginnings of the industry in Pennsylvania, by Dr. P. H. Giddens.

The German Museum in Munich will dedicate its new department to the production of petroleum and will feature a survey of the history of petroleum.

Soil and Livestock Meeting at Tionesta

Soils, grass, and livestock meeting will be held morning and afternoon of Thursday in the Court House at Tionesta for Forest county and nearby farmers.

The program will begin at 10:15 a. m. with a sound motion picture, "Save More Lambs." The livestock situation will then be discussed by C. A. Burge, extension livestock specialist of State College, County Agent Russell M. Smith will report results of soil tests made for lime requirement and content of phosphorus, potash, and organic matter. How farmers use soil test reports for getting maximum crop

FINE CIVIC PROJECT—Available to anyone in Warren county who has need of them, the above wheelchairs have been purchased by Dinsmoor Schwing Auxiliary, Veterans of Foreign Wars, through members' sales of magazine subscriptions in the past year. Pictured with them, left to right, are Bessie Sullivan, unit president; Blanche Lyle, chairman of the community service committee; and Garnet Stewart, chairman of the hospital committee. The auxiliary also holds a series of games party each Tuesday evening in the Townsend hall, with proceeds going to the hospital and community service work, and its vanilla sale each year benefits the same type of projects.

yields next will be discussed by James Eakin, Penn. State agronomy specialists.

Production and making of high quality hay, and silage will be discussed during the afternoon program by William Motzer, farmer in German Hill community, and specialists Burge and Eakin.

A swine feeding and management movie will conclude the program.

Scout Council Wins High Praise From Regional Executive

At the annual Charter Review meeting of Warren County Council, Boy Scouts of America, held Monday night at the United Reformatory, Norman C. Davis, of Oil City, Region III vice chairman, and D. D. Blanchard of Philadelphia, deputy regional executive, were profuse in their praise of the job being done by the local Council in providing a Scouting program for the boys of Warren county.

The meeting was opened with a ceremony conducted by Scouts of Troop 13 of Lacy PTA of which Eugene Shine is Scoutmaster. Diamond Koebley was introduced as a new member of the Executive Board.

Under committee reports, Mr. Koebley told of plans for Camp Olmsted and the latest information regarding the Jamboree, of which committee James Blomquist is chairman, is that 30 Scouts already are registered for the California trip.

Maurice R. Emery reviewed the 1952 record of the Council and then pinpointed Leadership Training. Advancement of Boys' Life for more effort in 1953. He asked that particular emphasis be placed on the Exploring Program as well as the "Be Prepared" Program of Scout advancement. Each troop is asked to adopt as an objective that 40 per cent of its membership reach first class rank or better by Boy Scout Week of 1954.

President Byron W. Knapp, in closing, asked participation in the annual Maple Sugar party at Akeley, and said that the next board meeting will be devoted to discussion of the Explorer program.

Board members present included President Knapp, Dr. J. E. Thompson, Cecil Winans, Maurice Emery, W. L. Weber, John Kirk, Dr. William Ball, Carl Rogers, C. H. Gardner, William Muir, John Hickey, William M. Hill, William Yeager, Esmond Koebley, C. A. Babcock and Hugh Logan.

Civil War Vet Loses Right Leg in Surgery

Rochester, N. Y. (AP)—James A. Hard, at 111 the oldest veteran of the Civil War, clung tenaciously to life today after losing his right leg in surgery.

Hard, who fought with the Union infantry at Bull Run, suffered a circulatory disorder in his right foot. Surgeons amputated the leg just above the knee last night.

General Hospital early today reported his condition as "good" and said he had a "good chance of recovery." A surgeon called the amputation "very satisfactory."

Hard, one of two living Union veterans, enlisted at 19, four days after the attack on Ft. Sumter began the war. A private, he fought at Bull Run, Chancellorsville and Antietam.

It is understood a "surprise" is also being arranged for the members who plan to attend. Howard Lauffenberger will also speak briefly on the Red Cross Blood Donor program.

CAR ROLLS OVER

Mrs. Marian Coffey of Philadelphia, was admitted at Warren General Hospital yesterday afternoon suffering from several fractured ribs and multiple abrasions sustained when a car which she was operating rolled over on Route 6 near the Mineral Well Service Station, east of Warren. State police, who investigated, said that Mrs. Coffey told them she was driving west and struck an icy patch in the road, which caused her to lose control of the vehicle. It rolled end over end and came to rest in a deep ditch. Damage to the car was estimated at \$1500. Her condition is listed as good this morning.

Advice For Small Businessmen From Income Tax Official

Acting Director of Internal Revenue, R. S. Kraft, has some advice for small businessmen who are currently experiencing difficulty in computing their Federal income tax because they have not kept adequate records.

The task of preparing tax returns, Acting Director R. S. Kraft says, is especially burdensome for those businessmen who do not keep adequate records, and his office receives many inquiries each year from small businessmen, professional men, and farmers, asking what kind of records should be maintained by them.

Internal Revenue Regulations do not prescribe in detail the type of records to be kept. The Director points out. What is important, he says, is that a systematic record be maintained—one that is sufficient to establish the amount of the gross income and the deductions, credits, and other matters required to be shown in any return.

To know his business income the taxpayer must know what sales or receipts he has had, and what costs and expenses he has incurred. Any system of records or books, then, that contains information about all receipts and expenses is considered adequate, Mr. Kraft says.

Many small merchants and professional men have found a simple method of record keeping. They use a column lined sheet of paper and head the columns with the classification of expenses in tax Schedule C, "Profit or Loss from Business or Profession," a form they are required to file annually.

Many farmers prepare a similar set of records by using the classifications shown on Form 1040-F, "Schedule of Farm Income and Expenses," that they are required to file.

A good practice is to summarize these sheets each month, so that at the end of the taxable year, the taxpayer has only to add the 12 monthly totals and enter the resulting totals on his tax return.

The advantage of this system is that such a record, together with the supporting vouchers, cancelled checks, etc., is easily checked if an audit of the return is made.

HOSPITAL EXPANSION

The first phase of an Oil City Hospital expansion and building improvement program, funds for which were raised in a public campaign a year ago, will get under way within a few weeks. Plans have been completed and bids are being asked on the initial project which involves the complete remodeling and finishing of the fourth floor of the present building to make room for 15 more beds. That floor is used principally for storage space now.

SHE OPENS TELEPHONE HIGHWAYS

Anita Storry
Lebanon Operator

You always come back to people. The finest telephone equipment in the world is no better than the people who install, operate and care for it.

Take, for example, the operators who put through your out-of-town telephone calls. They can open any telephone highway in America to your voice. And in most cases they can do it immediately,

while you are holding the line!

Good, fast telephone service is the result of a lot of things. It comes from careful training, from skill, from experience, from unfailing courtesy. These are the "human assets" of the telephone business... assets that make your telephone service so dependable in emergencies, so useful every day—the whole year round.

Local Aerie Fraternal Order of Eagles Planning Program For 50th Anniversary on April 12th

On April 12 Conewango Aerie, 313, Fraternal Order of Eagles, will celebrate its fiftieth anniversary when two surviving charter members will be honored, John F. Nelson and Frank J. Clark.

As part of the observance a large anniversary class will be initiated. For the campaign the lodge has divided the membership into two teams under the names of "Mollies" honoring Mr. Clark, and the "Nelsons."

To help in the campaign the committee in charge, with William Burns as chairman, has compiled a letter being circulated among the members, in which a number of activities the Eagles have sponsored or are responsible for, are mentioned.

It has also been announced that the Saturday night round and square dances, with games of chance and lunch have been resumed. It is planned to provide special entertainment to make every Saturday night a big event for members and their ladies, as well as prospective members. An organization of Junior Order of Eagles is also proposed.

Other activities the order has sponsored nationally, as listed in the letter include:

The Eagles have raised more than \$300,000 for the Damon Runyon Cancer Fund.

Created the Fraternal Order of Eagles Memorial Foundation to care for the sons and daughters of Eagle members who died as a result of serving in the Armed Forces.

One of the sponsors of the Chapel of The Four Chaplains in Philadelphia. The Eagles underwrote the cost of Chapel entrance and for the Eternal Vigil Light above the entrance.

Cooperated in the programs of the American Heritage Foundation, The Crusade for Freedom, The Civil Defense Commission, The President's Commission for the Physically Handicapped, Ser-

vice programs such as aid to schools, charities, libraries and general community undertakings.

Worked for such legislative programs as Social Security, Aid for the Aged, Pensions for the Widowed Mothers, and Workmen's Compensation.

Assisted the late Fr. Flannigan in his construction of the famed "Boy's Town" with a donation of \$160,000.

Paid out more than \$100,000,000 in sickness and funeral benefits. Assisted families of World War I soldiers by distributing grants of \$1,000 to the family of each Eagle who died in that war.

Were publicly lauded by the late Franklin D. Roosevelt, an Eagle himself, for the work and support of the concepts of Social Security.

President Roosevelt said: "Our countrymen owe the Eagles' good will for their unselfish services."

To the Eagles and the Eagles alone belong the honor of establishing a National Holiday for the Mothers of our country.

BAILE FARM HONORED

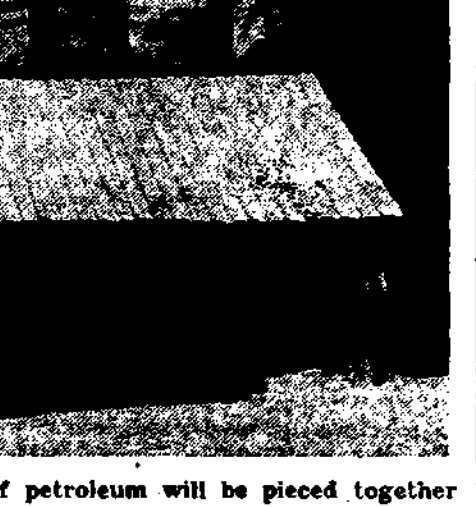

Sean Baile Farm of Warren has been elected to membership in the American Aberdeen-Angus Breeders' Association at Chicago, announces Secretary Frank Richards.

Sean Baile Farm was one of the eight purebred Aberdeen-Angus breeding establishments elected from Pennsylvania during the past month to membership in the organization.

FIRST GENERAL

Neither Grant nor Lee were full generals during the Civil War. Grant was made one after the war, to become the first in the nation. No record is extant of Washington ever having been appointed a full general.

William Henry Harrison was the oldest man to become President of the United States, being 68 when he took office.

PIONEERS OF PETROLEUM: The dramatic and colorful history of petroleum will be pieced together by many "Old Timers" who gather at this replica of the Drake Well during the May 14-23 International Petroleum Exposition at Tulsa. Pioneers who contributed to the fabulous growth of oil industry will be honored, and awards will be presented to a "Pioneer of Pioneers" and six men who are selected "Grand Old Men" of various divisions.

Sylvania President Named Director of Large Trust Co.

New York — Don G. Mitchell, president of Sylvania Electric Products Inc., has been elected a member of the board of directors of Irving Trust Company. Sylvania Electric is a major company in the lighting, radio, television, and electronics fields.

Mr. Mitchell attended the University of Cincinnati and the University of Florida, and is the recipient of a number of honorary degrees. He early established a reputation as one of the country's outstanding marketing executives, stressing the importance of market research and the scientific packaging of consumer products. As his career has progressed, his activities have broadened to other major management phases, and he has become a recognized authority on corporate organization and policies, especially in the broad area of human relations.

Mr. Mitchell joined the Sylvania organization as Vice President in charge of sales in 1942, at the start of the greatest period of sales expansion in the company's history.

He became Executive Vice President in January, 1946, and in May of the same year was elected President. Sylvania's sales, after a decline in the first year following the war, have increased every year since 1946, reaching an all-time high of about \$235 million in 1952. Total investment in the Company increased from around \$30 million in 1945, the year before

he became President, to nearly \$110 million at the end of 1952. During the same period, the value of buildings, equipment and land rose from \$5½ million to nearly \$45 million.

In addition to being President and Director of Sylvania Electric Inc., Mr. Mitchell is a director of Nylok Corporation, General Time Corporation, National Biscuit Company and Thorn Electrical Industries, Ltd., London, England. He is also Chairman of the American Management Association's Executive Committee and a Trustee of the Committee for Economic Development.

His home is in Summit, New Jersey.

Head of Household Tax Rates Explained

R. S. Kraft, acting director of Internal Revenue, said today that numerous married persons in his district are erroneously using "Head of Household" rates in preparing their 1952 individual income tax returns.

The "Head of Household" tax rate, Mr. Kraft, explained, is available only to unmarried persons under these circumstances described in the Form 1040 Instructions, and provides for tax benefits approximately one-half those received by a married couple filing jointly and taking advantage of the split-income computation. Unmarried persons qualify for the "Head of Household" tax rate when they meet the statutory requirements as outlined on Page 4 of the official Instructions accompanying Form 1040.

Taxpayers claiming the benefit of "Head of Household" status should not use Form 1040-A but should file Form 1040.

The use of the special rates by taxpayers not entitled to the status of "Head of Household" results in errors entailing costly correction procedures, Acting Director, R. S. Kraft, said.

Valuable Books Go To College Library At New Wilmington

New Wilmington, Pa.—Books valued in excess of \$1,000 have been presented to Westminster College's McGill Memorial library as a gift from Judge John F. MacLane of New York City, an 1899 graduate of the college.

The books are general works in the fields of history and political science, plus a number of English literature volumes. Included in the history and political science fields are such books as Eleanor Roosevelt's "This I Remember," G. W. Pepper's "Philadelphia Lawyer," Cordell Hull's "Memoirs," former ambassador to Russia Davies' "Mission to Moscow," John Guther's "World Affairs," Sumner's "The Science of Society," along with "James Farley's Story," and "The Forrestall Diaries."

Also included in the gift of books are several costly bound volumes of literary works imported from England. Among the books in this set are Boswell, Burns, Fielding, Shakespeare, Smollett, Sterne, and Thackeray. Each author is represented by four to 20 volumes apiece.

Other alumni book gifts to the library include 20 volumes of English and Welsh histories from Thomas P. Jones, class of '98, and 40 volumes of general works from the late Mr. and Mrs. William McElwee, Jr., classes of '97 and '02 respectively. Such books as "The Canterbury Tales," "Monk in Armour," the "Biography of Martin Luther," and "Eugene O'Neill's Nine Plays" make up the McElwee gifts.

BY THEIR PUNCH YE SHALL KNOW THEM

Some people sign their names in full. Some use abbreviations, initials, even an X.

And some do it with a punch.

These are the railroad conductors or trainmen—the men who pick up your ticket on a train—and you'll never get two different punches from the same one. Your ticket won't, that is.

For every railroad ticket collector has his own personal and distinctive punch mark, or signature. Each one is registered in his name (like a policeman's revolver) and there are no two exactly alike on any one railroad, though there may be similarities among railroads, says a release from Eastern Railroad Presidents Conference.

Take a look at the cut-out in your ticket the next time you ride a train. It may be shaped like a rooster, or a hat, or a half-moon or even a fish. It will be one of thousands of designs.

The railroads began the punch signature system many years ago to increase their efficiency and to know just who punched what.

A punch is registered in a trainman's name the day he begins collecting tickets and he retains it until he stops. A trainman usually has two punches with the same mark, one to be used when the other is being repaired or sharpened. And it's rare when a trainman loses his punch.

The railroads collect millions of tickets annually and store all of them under a filing system in case of passenger claims which run into the thousands every day.

One eastern railroad remembers the refund claim by a fugitive from justice.

The man bought a ticket from New York to Chicago, but was arrested in Harrisburg and taken off the train. He wanted a refund. A search of the tickets collected on the train he rode turned up a New York-Chicago ticket that had been punched only to Harrisburg.

The man got his refund.

ORCHIDS TO THE JAYCEES

Officers and members of the Warren Chapter of the Junior Chamber of Commerce are receiving richly-deserved praise for the musical treat afforded residents of the area Monday evening when the Pittsburgh Symphony Orchestra of ninety pieces played a program of classical numbers at the Library theatre. Spiritual Diary for Lent

Today's Message

Are you realistic? Do you pride yourself on not being controlled by emotion and wishful thinking? All will agree that the seriousness of the world situation demands that we be realistic. But who is realistic? Is he the one who can see only the bright side of life? Is he the one who can see only the black side of life? The realistic person is the one who sees in a tulip bulb more than something that looks like an onion. He sees the bulb planted—apparently decayed—the downgrowth of inexorable forces which pull up out of the unsightly bulb something green—lift it up until it proudly bears aloft a beautiful flower. Such a person is not dismayed with all the evil of today. He sees the downgrowth of inexorable force which can pull up out of our lives persons who have thrown off falsehood for truth, ugliness for beauty, unbelief for faith, irresponsibility for integrity. He sees not only what men are—but sees what they can become.

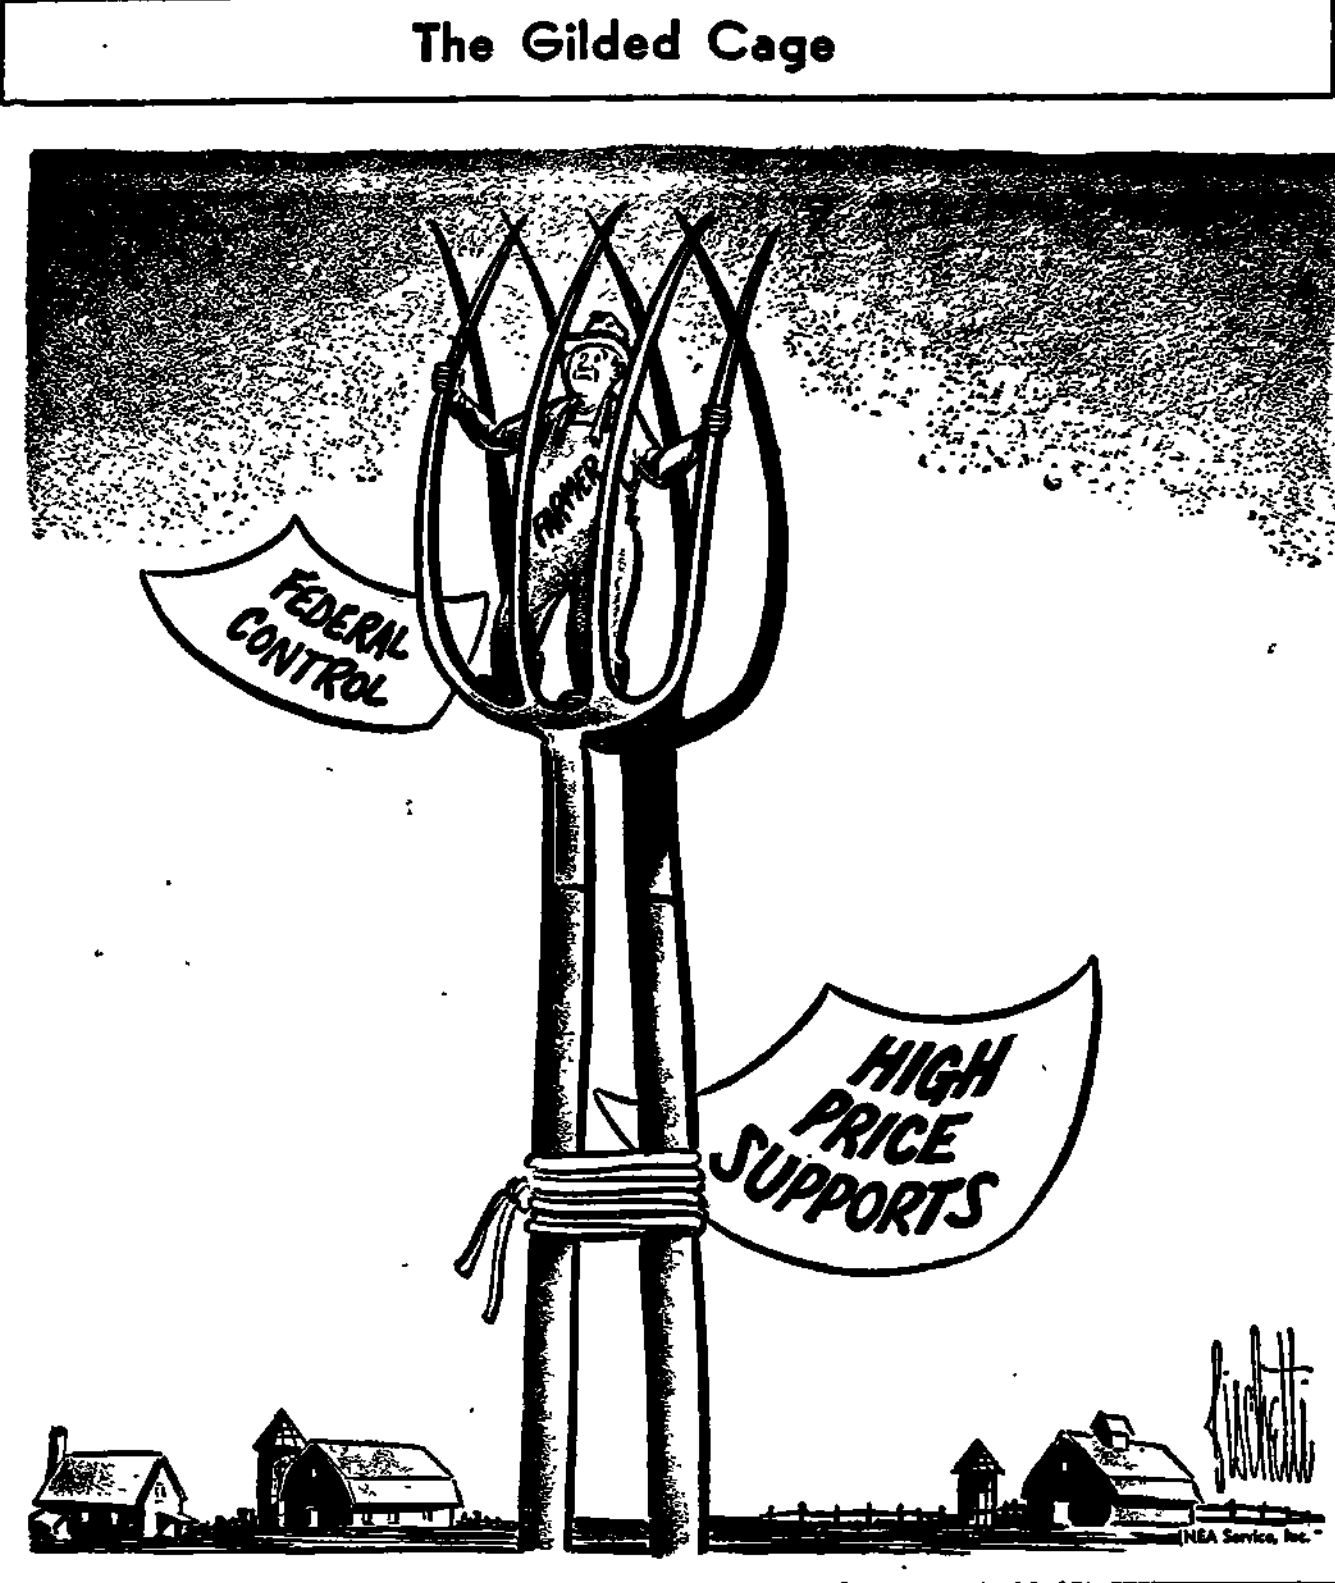

In your meditation today try to ascertain whether you face the facts or avoid them. Does God enter into a realistic view of life? Jesus was an idealist; but He was also a realist. He challenges us to pioneer with Him in realism.

—FRED HOSKINS

Today's Prayer

Eternal God, our Father, we would be free from the illusions which ensnare us. We pray for strength to be realistic as Christ was realistic, that we may never mistake the present as the limit of what Thou canst do. Amen.

Here And There

It was fifty years ago today when Dr. W. S. Pierce formally took over as burgess of Warren, which inspired the following article in the Evening Times of March 3, 1903:

Hereafter when Dr. W. S. Pierce is encountered it will be polite to address him as "Mr. Mayor." The Doctor slid gently into office today without any unseemly demonstration, and only expressed his satisfaction that the snowy season was about over. It is expected that the new mayor will send a message to the Council, which will organize this evening, threatening to vaccinate every member if his vetoes are overridden. Another city official has been in an eclipse all day endeavoring to figure out which one of the Mayor's three offices would come first in case he was called to act in each simultaneously, namely, as Coroner, Chief of the Fire Department, and Mayor.

They didn't have a roundup every Monday morning of week-end automobile accidents back in 1903, but occasionally they had runaways that inspired news articles, such as the following:

"A team attached to a milk wagon owned by E. D. Stewart, Conewango township, was responsible for a disastrous runaway at eight o'clock Sunday morning, which resulted in the demolishing of a \$200 plate glass window at the store of D. Shearer, Second avenue and Liberty street, and the practical destruction of one of the animals valued at \$150. The team was a fractious one, and while standing before a Pennsylvania avenue, west residence, near Hazel street, started the trouble that developed into a wild run terminating abruptly at the point indicated when one of the animals plunged through the heavy glass, cutting both tendons of his foreleg and receiving other cuts elsewhere on the body. The wagon and second horse were not so seriously damaged. Mr. Stewart's loss on the unfortunate accident will probably be \$400."

The stage at the Library theatre never before held more people than it did last evening when the Pittsburgh Symphony orchestra, sponsored by the Jaycees, presented a concert that will go down in the memory of music lovers in the area as one of the greatest artistic treats ever enjoyed in Warren. To seat the ninety musicians in the orchestra every inch of the stage was used, with players seated ten or twelve feet on each side of the back drop. According to George Sarvis, who has managed the playhouse since the days before it was modernized for "silent" pictures and later "the talkies," it was the largest group ever seated on the rostrum. The last symphony orchestra to be heard in Warren was from Cleveland, back in 1919. Special mention should be made of the excellent work of the Jaycees who served as ushers, the volunteers filling this important assignment like veterans thoroughly familiar with the seating charts. The orchestra arrived about 4:30 p. m., in three buses chartered from the Harmony Short Line and left, after the concert for Olean, N. Y., where it is scheduled to play this evening.

New U. S. Delegates to UN Get Training in Present Session

BY PETER EDSON
NEA Washington Correspondent

WASHINGTON.—(NEA)—Present plans call for ending the reconvened United Nations General Assembly meeting in New York at the end of March. It is felt in Washington that a month's session will serve to dispose of—at least temporarily—the nine items of unfinished business left over from the first part of the Assembly meeting last fall, plus a couple of new ones likely to be raised. They are Russian anti-Semitism and the Tunisian-Moroccan question.

If the Eisenhower administration has any new and dynamic proposals to make to the United Nations at this time, they are better kept secret than most changes in policy since inauguration day.

This lack of any new aggressive actions before the UN was indicated by Secretary of State John Foster Dulles himself, at his first press conference.

He was asked if there was any plan to bring the question of a China blockade before the UN. He replied that there was no such plan that he was aware of. He then added that there might be some further appeal to avoid commerce with aggressors.

This is being taken in Washington to mean that the new U. S. delegation to the UN will play its tunes by ear. If some other country pitches a new note on which the American delegation can sing effectively, it will make music.

THE nine items of unfinished business which now face the Assembly are the following:

1. Korea. The Indian resolution on repatriation of Korean war prisoners, passed by a vote of 54 to 5, may be opened for revision. Reports on Korean unification, relief and reconstruction will be heard.
2. Report of the Disarmament Commission on limitation and balanced reduction of all armed forces and armaments.
3. Report of the Collective Measures Committee on methods to maintain and strengthen peace through UN security agreements.
4. Complaint of non-compliance by countries still detaining members of the Greek armed forces.
5. A Czechoslovak charge of U. S. interference, subversion and espionage against Russia, China and other Communist-dominated countries.
6. A Polish proposal to avert the threat of a third world war by declaring participation in the North Atlantic pact is aggression. It also calls upon the Big Five to conclude a world peace pact.
7. A U. S. request for an impartial investigation of false Soviet charges that this country had used bacteriological war in Korea.
8. Appointment of a new Secretary General to succeed Trygve Lie of Norway, who has resigned.
9. Report of the Secretary General on personnel policy, as it relates to employment on UN's staff of Americans considered subversive and disloyal to the U. S.

ALL these matters come before the Political Committee of the UN General Assembly, commonly known as Committee One. Plenary sessions of the Assembly will be held only as Committee One is prepared to make its reports on items on the agenda.

In addition to Secretary of State Dulles, the American representatives will be Ambassador Henry Cabot Lodge, Jr., James J. Wadsworth and Mrs. Oswald B. Lord, who are President Eisenhower's appointees, plus Ernest Gross, who is being retained from the Truman administration delegation.

There is still some uncertainty whether Ambassador Lodge, taking orders directly from the President, will set UN policy, or whether it will be set by Secretary Dulles, acting through the Assistant Secretary of State for UN Affairs, John D. Hickerson.

Mrs. Ida Cook Farber, right, vice chairman of Brooklyn's 1953 Fund Drive, was on hand to congratulate them.

SOME LOUD TALK—And model Toni Poster is getting an earful of it from Sharkey, a 15-year-old trained sea lion in Chicago, Ill. Sharkey was on hand at the Windy City's 14th annual Sports, Outdoors and Travel show at the International Amphitheater, where he had this gab session with Toni.

LOST VALUE—The problem of inflation has brought scenes like this to Seoul, for war-time currency has decreased to the point where a shopper must carry cash around in big bundles. President Syngman Rhee of Korea called his cabinet into an emergency session to try to stabilize the Republic's currency. Some food prices had risen as much as 400 per cent overnight.

EAGER TO LEARN—As he rides back to his mountain home, a youngster glances at the books he has borrowed from the Carnegie Bookmobile, in background, at Sabana Llana, P. R. Stocked with 2000 books each, three of these free libraries on wheels bring knowledge to thousands of natives in rural Puerto Rico.

BARBER-SHOP HARMONY—A different look in barber shops is George La Pinska's in Chicago, Ill., where Mrs. La Pinska works at her painting as her husband works on a customer. The 50-year-old housewife, and mother of five children, took up art as a hobby about a year ago. She completes a painting a week and now has 48 of them hanging on the walls of the barber shop and at home. The La Pinskas are both talented—but not in a competitive way.

QUITE A DISH—Lucille Thomas, 17-year-old California high school student, has been named "Miss Sextant of 1953" by U. S. Air Force personnel at a San Diego aircraft plant. Here, the shapely young lady practices taking sights through an astrodom in a T-29 navigator trainer. Lucille isn't wearing her title in vain.

A TRIPLET FAMILY

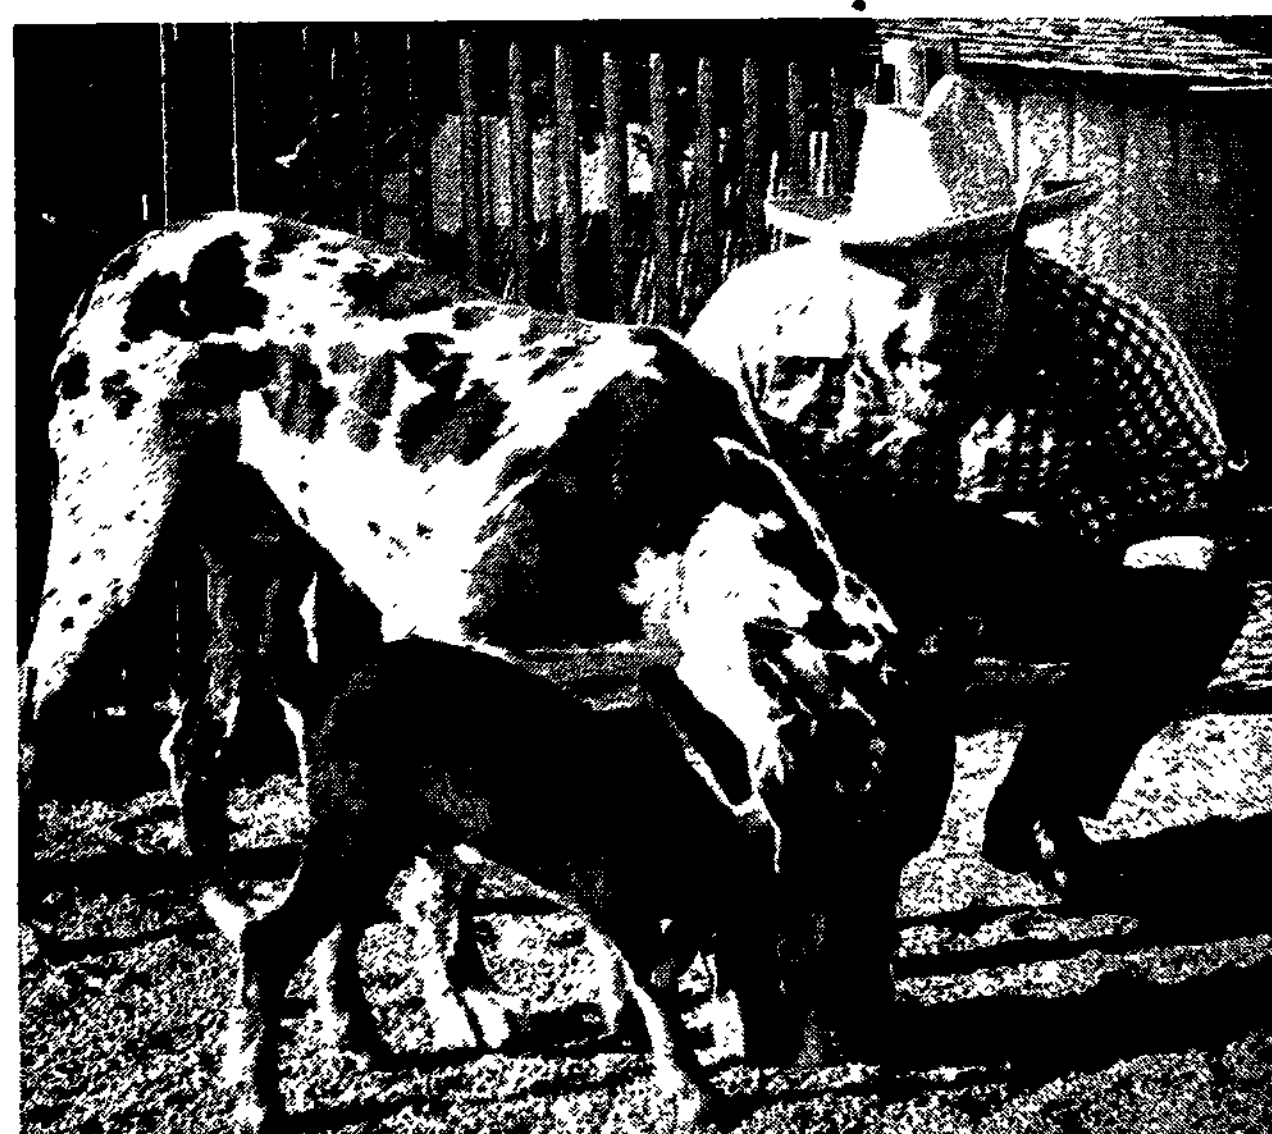

TRIPLE TROUBLE—When the William L. Petersons were blessed with triplet sons a few weeks ago in Seattle, Wash., a production line had to be set up to get the work done. Every day is wash day for Mrs. Peterson, shown below with two-year-old daughter Corinne. She has to launder 72 diapers a day, while clothes and odds and ends pile up, awaiting attention.

TRIPLE WORK, TOO—In their kitchen, the Petersons are shown working at feeding time, top photo. And keeping tabs on the health of the babies is no easy task. Recording their weights, below, is a job for a statistician. But the proud parents wouldn't exchange places with any other parents in the world.

PICK-OFF PLAY—Putting a new twist to the familiar baseball pick-off play, Dodger rookie catcher Steve Lembo, top, slips oranges to rookie hurler Bob Milliken at the Spring training camp in Vero Beach, Fla. This is one Brooklyn battery that really does work with juice.

DIFFERENCE IN SIZES—Ballad singer Burl Ives is wearing a 10-gallon hat as he feeds two pets on his mother's farm near Hunt City, Ill. The larger one is Major, Burl's great Dane, and the tiny one is Gypsy, a kid, and they're eating from the same dish. It's not hard to tell which of the two eats the most food.

Mr. and Mrs. L. Bernal Connolly Have Wedding Anniversary Party at Ludlow

Ludlow—Relatives and friends, numbering 186, gathered in the American Legion Hall Saturday evening to honor Mr. and Mrs. L. Bernal Connolly on the occasion of their 25th wedding anniversary. Their two children, Mary Anna, at home, and James Connolly, 2nd, of Princeton University, were among those enjoying the event, as were the only attendants at their wedding, Dr. and Mrs. Leroy B. Campbell.

C. H. Hanson was toastmaster for the program, which opened with three vocal selections, "Let's Honeymoon Again," "I Love You Truly," and a parody on Lehar's "Merry Widow Waltz," sung by Mr. and Mrs. Everett Borg, Warren. This prefaced a skillfully-performed mock wedding, the colored participants being Mrs. Albert Carlson as the preacher; Albert Carlson, the bride; Mrs. Walter Cox, the bridegroom; Mrs. Lawrence Larson, best man; Arthur Christenson, bridesmaid; Nancy Carlson and William Ralston, the flower girl and ring bearer. Mrs. William Hanson played the bridal music with her accordion and, later, played Swedish folk music, accompanied by Janice Carlson.

E. W. Johnson and Dr. Campbell gave humorous talks and Mrs. Borg sang a little Swedish folk song, after which the Borgs sang an excerpt from "The Chocolate Soldier" and "Bless This House," with accompaniment by Mrs. Enoch Nelson.

The climax of the program was the presentation by the toastmaster of a purse of money from the many relatives and friends as a memento of the occasion, and touching responses from the couple. They also received a variety of other gifts. Mrs. Connolly wore an orchid corsage and Mrs. Campbell a corsage of baby mums.

Coffee was served at a table beautifully centered with a floral arrangement of pink and white and presided over by Mrs. Nell Watts of Sheffield, Ethelyn Connolly, Mary Anna Connolly and Mrs. B. K. Connolly. Other sides included Mrs. Emil Nelson and Mrs. Adolph Johnson at the bride's cake, and Mrs. Enoch Nelson, who managed the guest book.

Out of town guests were Mrs. Nell Watts, John Watts and daughter, Patty, Mr. and Mrs. Clarence Danielson, Mr. and Mrs. Otto Maher, Mrs. George Ledebur, Sheffield; Mr. and Mrs. Henry Barton, Buffalo, N. Y.; Mr. and Mrs. Glennis Rickert, Paul Jacobus, Kane; Mr. and Mrs. Vance Weld, Mr. and Mrs. Chester Kinney, Karen Kinney, Mr. and Mrs. Richard Hanson, Mr. and Mrs. Harry Christenson, Mr. and Mrs. Gilbert Johnson, Mrs. Margaret Peterson.

Mr. and Mrs. Leslie Smith, Mr. and Mrs. Harold Nelson, Warren. Chairmen for the event were Mr. and Mrs. Stanley Carlson, assisted by Mrs. Emil Nelson, Mr. and Mrs. Enoch Nelson, Mr. and Mrs. Vernon Swanson, Mr. and Mrs. Albert Carlson, Mr. and Mrs. Arthur Christenson, Mr. and Mrs. William Ralston, Mr. John G. Johnson, Mrs. Lawrence Larson, Mrs. Walter Cox, Mrs. Tony Raymond, Mr. and Mrs. William Hanson, M. I. Jones, O. H. Hanson and E. W. Johnson.

Sunday callers at the Connolly home were Mrs. Ruth McConnell, Mrs. Laura Byham and Lois Ann Byham, Kane.

WILTSIE SOCIETY

Akeley—There was a good attendance for the meeting of Wiltzie Ladies Aid Society, held at the home of Mrs. Anton Lindquist. During a pleasant social afternoon, several of the members worked on a quilt. The meeting was in charge of the president, Mrs. Axel Carlstrom. After a song by one group, the president led devotions and all repeated the Lord's Prayer. Concluding, the hostess served refreshments, assisted by her daughter, Margaret Arthur. Members were present from Lakewood, Jamestown and Russell. The March meeting will be held with Mrs. Victor Lundmark.

CEMETERY AUXILIARY

Akeley—The Ladies Auxiliary of the Hale Cemetery Association held its regular meeting at the home of Mr. and Mrs. Victor Lundmark, with 60 dinners served at noon. The business meeting was in charge of the president, Mrs. Myrtle Nelson, with the chaplain, Mrs. Grace Granquist, leading devotions and offering prayer. Members were reminded the place of the next meeting will be announced later.

AUXILIARY SALE

The Glade Township Volunteer Fire Auxiliary has planned a rummage sale for Friday and Saturday of this week in the Schindler building. Members or friends having articles to donate are asked to call Virginia Homan, 903-R, or Marian Hedman, 5042-R2.

AFTERNOON CIRCLE

The Thursday Afternoon Circle of First Methodist church will meet in Dunham parlors at 2:15 p. m. March 5, with devotions led by Mrs. E. S. Africa, the program in charge of Miss Pearl Lund, and Mrs. A. H. Templeton as hostess for the social hour.

WILLING WORKERS

The Willing Workers of North Warren Presbyterian church will have a desert-meeting at the church at 1:30 p. m. Wednesday. Lenore Thurston, state nurse, will be guest speaker, her topic to be one of interest to all.

WCSB MEETING TO HEAR OF INDIA

WCSB members of Grace Methodist church will hold their regular meeting at 7:45 p. m. Friday, when the speaker will be Dr. Prasanna Pati, of Orissa, India, sent here by his government to receive training in psychiatry so that he might return and help establish a program for the treatment of mental diseases in his native land.

Studying for the present at Warren State Hospital, Dr. Pati will speak on "Living and Political Conditions in India." His native state in India is as large as Pennsylvania, but does not have a single mental hospital. This is in comparison to our own commonwealth, which has 17 public mental institutions.

FREWSBURG BRIDGE

Mrs. Daisy Broadhead and R. E. Larsen were first place winners in the Friday night tournament of the Frewsburg Duplicate Bridge Club, amassing 85 points. Mr. and Mrs. David Cropp, Warren, captured second position with 78½; Mr. and Mrs. James Breckenridge, third with 74; Mrs. Myer Kornreich and Mrs. D. A. Scalise, of Warren, fourth with 69½; Al Roth and Edward Benson, fifth with 68½; Mrs. J. Stafford and Vida Benson, sixth with 68. Average score was 67½.

This week's game will be held the same time and place, Friday at 8:00 in the Frewsburg IOOF hall, and light refreshments will be served. All local bridge fans are invited to participate in these weekly contests.

MIZPAH CLASS

Gladys Nelson, vice president, conducted the brief business meeting of the Mizpah class of Akeley Sunday school, held at the church. The treasurer reported a balance of \$21.59 remaining after payment of the new choir music. It was voted to hold a meeting every third Wednesday, with monthly dues of five cents per member.

Phyllis Jean Nicholson was in charge of refreshments, served to the following: Mrs. Hallie Holt, Phyllis Nelson, Gladys Nelson, Helen Way, Phyllis Nicholson, Margaret Arthur, Roberta Cable, Bernice Venman, Thelma Wiltzie, and a guest, Mrs. Harold Hale.

HAS CARD CLUB

Corydon—During the weekend, Mrs. O. A. Benton entertained members of her card club at her home, with prizes awarded the following for two tables of five hundred: Mrs. George Prue, high and traveling honors; Mrs. Roy Adams, second; Mrs. Margaret Ruth, consolation. The hostess served refreshments to conclude the evening. Those in attendance were Mrs. Lois Hammond, Mrs. Elmer Ruth, Mrs. Ann Van Sickle, Mrs. Cynthia Prue, Mrs. Maude Adams, Mrs. Ann Zdanecovich, Mrs. Margaret Ruth and Mrs. Benton.

HOSPITAL AUXILIARY

Warren General Hospital Auxiliary will hold its monthly business and work meeting at 1:30 p. m. Friday in the directors' room at the hospital, and a large turnout is hoped for.

Echoes From Open Meeting Held By Women of Moose

The regular meeting of Warren Chapter, Women of the Moose, was held in the form of an open session conducted by Senior Regent Maud Eckland.

There was a large attendance of members from Corry, Kane and Bradford Chapters and special guests included the following College of Regents members: Martha Jackson and Ryta Vandervort of Kane; Anna Bond of Bradford; and Augusta Anderson, Helena Larson, and Mabel Mattson from Warren Chapter.

Governor Phillip Lauffenberger and Secretary and District Governor Eugene Simmons of Warren Lodge were also guests, as were a large number of the members of Warren Lodge and local friends. A class of candidates was initiated.

After the business meeting, Regent Eckland turned her station over to Ritual Chairman Grace Heasley, who, with the cooperation of co-chairman Crissie Giardullo, presented an evening of entertainment including a posture contest. This was judged by the physical director of Warren High School, Miss Marty Sable, and the posture prize was awarded to Mary Tellmann. Warren Chapter presented Miss Sable with an appropriate gift.

A cake walk was held, with cakes awarded to Ryta Vandervort of Kane, Marjorie Cone of Corry, and Albert Minnick of Clarendon; a \$10.00 gift was awarded to Clifford Christensen of Warren; and Florence Flynn, also of Warren, was awarded a special prize. Mary Demel presented Homemaking Chairman Betty Moore with two hand-made sofa pillows and these were awarded to Kathryn Rennard of Kane.

At the close of the evening, moving pictures were shown, and a lunch was served by a committee consisting of Mary Morell, Grace Heasley, Crissie Giardullo, Mae Speaker, Alice Helmon, Alice Kiser, and Laota Minnick. The next regular meeting will be held March 11, preceded by one of the popular family dinners at 6 p. m. in charge of Social Service Chairman Blanche Kelsey. All chapter members and members of the local lodge are invited to attend and bring the family.

IN ATTENDANCE AT ELKS ANNIVERSARY

A large delegation of members of Warren Lodge No. 223, BPOE, of Warren Lodge No. 223, B. P. O. Elks, and their ladies attended the dinner-dance held by Jamestown Lodge Saturday evening commemorating the 60th anniversary of the founding of the Elks lodge in that city. The trip was made by the local delegation in a chartered bus, leaving the club house here at 5:30 p. m. Saturday and returning at 1:30 a. m. Sunday.

STARBUCK PTA

School Nurse Claribel Kurz will be the speaker for the meeting of Starbuck PTA, to be held at the school at 8:00 p. m. Wednesday, and all parents are urged to be in attendance.

NEIGHBORHOOD CLUB

The North Warren Girl Scout Neighborhood Club will hold its regular meeting at 1:30 p. m. on Wednesday at the home of Mrs. Harry Barley and all are asked to be in attendance.

Auxiliary Honors Past Presidents

Twelve past presidents of Dinamo-Schwinn Auxiliary, Veterans of Foreign Wars, were honored guests of the unit for a delicious swiss steak dinner served in conjunction with the regular meeting in the post rooms. Pictured above, left to right, those who have headed the organization are:

Back row—Hilda Rohlin, Zella Wood, Bea McCann, Wilma Nelson, Garnet Stewart, Thelma Ploss and Lenore Jordan; front row—Gertrude Fitch, Marie Belton, Blanche Lyle, Olga Petersen and Alice Bean.

Another past president, Helen Naaman, was a dinner guest but not present when the picture was taken; two others unable to attend were Mrs. Armstrong, a patient in the Keystone Nursing Home, and Bertha Moll, who is in California.

The past presidents' table was beautifully decorated with potted spring flowers and a lovely bowl of the same were at each place, a gift from the auxiliary. As seen in the picture, each honored one was also remembered with a colorful corsage of yellow daffodils.

President Bessie Sullivan welcomed the guests and called upon each past president for a few remarks. Included among the special guests was a past district president, Sue Porterfield of Franklin.

Following the brief business session, a delightful program was presented, including pictures and recitations by D. L. Lacy.

Concluding, a vote of thanks was extended the president and those who worked with her to assure the success of the very pleasant affair.

MARCONI BRIDGE

Winners in the Marconi Bridge Club's monthly Master Point game last evening were Henry Hunzinger and D. L. Vetter, with James R. Valone and Joseph A. Scalise, second; Mrs. J. A. Bevevino and Mrs. John Timmis, third; Mrs. Jo Hendrickson of Jamestown and Mrs. Jessie Sandrock, fourth. Other out of town players were Mrs. Lucille Jobs, Marion Fargo, Mrs. Veda Benson, Robert Larsen and Mrs. R. Stafford, all of Jamestown.

Next Monday night's game will be the monthly "new partner" tourney.

Warren's Gold Star Mothers Will Seek National Charter

If you are a Gold Star mother, Perhaps you can help another, Sharing tho'ts and deeds of those Who once were our own GI Joe's

Maybe you can bring a smile Upon a face-once in awhile. That has forgotten in her sorrow To look forward to tomorrow.

Perhaps some strength will come to you From some other mother who Has gathered hers from still another Who had found hers in Jesus' Mother.

And when we have regained our poise Our tho'ts go out to other boys Whose duty to our own country Has bro't him home an amputee

Your boy looks down upon this earth And judges you by what you're worth; Will you come and help the others Who were once his service brothers?

For now today, as long ago, The Saviour said, as we all know "Who helps another we aids three, Himself, his hungering neighbor and Me."

When comes this final hour o' reckoning And Heaven to us all is beck'ning, We enter and in our hands that day Is only that which we gave away. — A Gold Star Mother.

The monthly meeting of the Gold Star Mothers was held in the American Legion Home, Monday evening, with a large attendance, and plans are being made for the local unit to become a chapter of the American Gold Star Mothers, a national organization with 58 chapters in Pennsylvania alone. Applications for membership were distributed last night, these (Turn to Page Seven)

Buffalo Woman Speaker For Local Church Women

The Warren Council of Church Women will hold its March meeting at 2:30 p. m. Mrs. Joseph DeFrees New Head of Art Department; Crary Pictures Pleasing

There was a large attendance at the Monday afternoon meeting of the Woman's Club Art Department, when election of the following officers was held after the routine business session:

Mrs. Joseph DeFrees, chairman, succeeding Mrs. Warren Stone; Mrs. Stewart Beckley, vice chairman; Mrs. Carl Whipple, secretary.

For the afternoon's program, Mrs. Crary showed his beautiful colored slides and movies, taken in and around Warren. While he made it seem that anyone could

Committees Round Out the Details on Junior Class Play

Behind-the-scenes work of the junior class play, "Campus Quarantine," which will be given in the Warren High School auditorium Thursday evening, has been completed by the student committees, except for the last finishing touches.

A fraternity paddle, an automobile horn, and a doctor's satchel are some of the items Carol Freeborough, Karlene Gibson, Dolores Gruttaria, and Betty Ann Pasquino have gathered together as a part of their duties on the properties committee.

Denise McGarry and Carol Douglas have made their preparations to take charge of make-up on the evening of the show.

A nurse's uniform for a boy and a doctor's coat are ready with the other costumes, secured by Patricia Atkins, Elaine Cooney, Martha Milenius, and Helen Spirdon.

The heaviest work of preparing for the play falls on the set crew, supervised by John Stachowiak, Latin instructor. Warner Ahlgren, Edward Erickson, Murray McComas, Richard Newmaker, Richard Schuler, and Richard Valone have been building and papering, so that a newly decorated dining room in a sorority house will appear when the curtain goes up at eight o'clock Thursday evening.

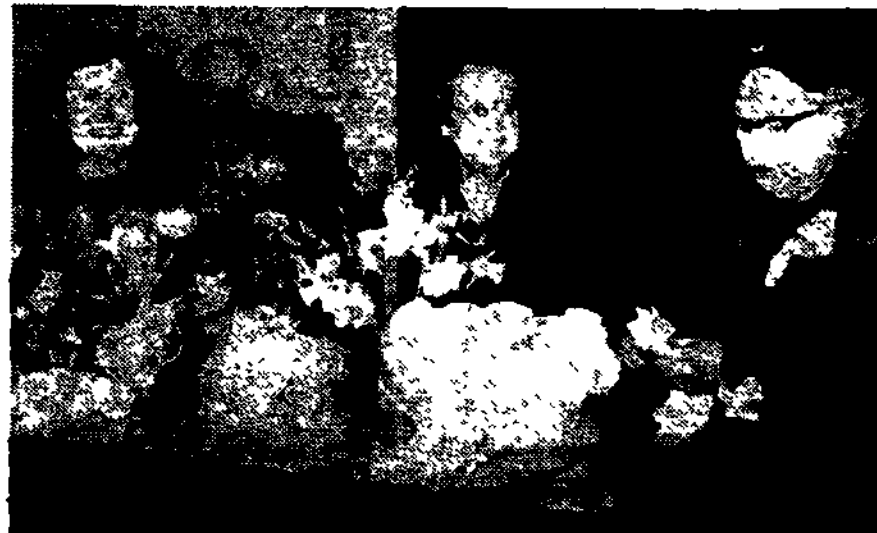

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were stiff.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

INDUSTRIAL INJURIES
According to the Department of Labor and Industry, industrial accidents in Pennsylvania took a sharp rise in January as compared to December, but were lower than in January, 1952. During the month, there were 86 fatal and 7,303 non-fatal accidents. Seventy per cent were caused by using defective or unsafe tools or equipment, the bulletin states, with most of the accidents resulting from being struck by objects. Fractures of feet, fingers, toes and chests accounted for 62.2% of the injuries which involved fractures. No case of permanent total disability was reported for the 11th consecutive month.

to be filed out in triplicate, one copy each for the national and state organizations and one for the local chapter. The initiation fee is \$2, which includes annual dues and a year's subscription to the organization's monthly publication.

Mothers of sons or daughters who died during service in the Army, Navy, Marine Corps or Air Force of the United States, or in the service of any of the Allies during World War I or II, or who died as the result of such service, are eligible for membership. All Gold Star Mothers in Youngsville, Sugar Grove, Tidoute, Sheffield, or any part of Warren county, are cordially invited to become charter members. Application blanks may be obtained from Mrs. J. G. Kierman, 1301 Pennsylvania avenue, east, Warren, telephone 1611-J.

When the application blanks are approved, Mrs. Jeannette W. Gery of Allentown, vice president of the national organization, will come to Warren to install officers and present the charter. She writes: "The veterans, who are our main object, need much help and in helping them we show our unselfish love and appreciation of their sacrifice. I am sure our own boys would be very proud of us and in turn it does much for our own morale." She urges as many mothers as possible to become charter members.

All present at last night's meeting were enthusiastic over the project of crocheting blocks for afghans to be given to the Veterans' hospitals, and with the speed and dexterity with which the blocks are being turned out, one or two afghans should be completed by the next meeting.

The service was very largely attended, including the following from out of town: Mr. and Mrs. Joseph Whyte, Robert Holmes, E. S. Knabenshue, J. W. Woodruff, H. J. Granquist, Warren; Mr. and Mrs. David White, David Joe White, Mr. and Mrs. Paul Colburn, Miss Alice Hastings, Kenneth Johnson, Robert Riley, Bradford; Walter Mason, Mr. and Mrs. Vern Larson, Jamestown, N. Y.; Mr. and Mrs. Mitchell Mahan, Lander; Mr. and Mrs. Lou Shures, Herbert Shures, Frewsburg, N. Y.; Mr. and Mrs. Clyde Murray, Marvin Wilcox, Mrs. C. F. Platt, Ellen Malmberg, Beulah Wilcox, Kinzua; Mr. and Mrs. Arthur Johnson, Mrs. Charles Newton, Miss Patty Newton, Benjamin Mason, New Castle; Mrs. Eleanor Maloney, Mrs. Amos Huckleberry, Kennedy, N. Y.

Inadvertently omitted in yesterday's account of Mr. Whyte's death was the name of one survivor, his mother, Mrs. Alice Sparks, of Corydon.

MRS. MAUDE E. HAYES

Mrs. Maude E. Hayes, 500 Center street, Sheffield, died at her home at 5:45 p. m. Monday after a 20 years' illness. Born in Gusher, Forest county, on March 10, 1882, she was the daughter of Miller L. and Henrietta B. Miller Ekas, and was the widow of James J. Hayes, who preceded her in death in 1940. A resident of Sheffield for many years, she was a member of the American Legion Auxiliary at that place.

Surviving are the following children: Mrs. Ethna Lennon, East Patterson, N. J.; Mrs. Marguerite O'Leary and James M. Hayes, Sheffield; also two granddaughters; two brothers and two sisters: Claude Ekas, Kilgore, Texas; Miller Ekas, Dallas, Texas; Mrs. Ada Doty, Duncan, Okla.; Mrs. Henrietta Landers, Sheffield.

Services in her memory will be held from the family home at 2:00 p. m. Thursday, the Rev. Hans Pearson, of Bethany Lutheran church, officiating and interment following in Sheffield cemetery. Friends will be received at the home after 7:00 p. m. today.

A. W. ERICKSON

August William Erickson, 407 1/2 Water street, died at Warren General Hospital at 9:30 a. m. today, following an illness of one month. He was born in North Warren on February 3, 1878, had been a lifelong resident of the community and was employed as an electrician for the Struthers Wells Corporation for the past 10 years.

Surviving are his wife, Stella; with the following children: Guy William, Starbuck; Mrs. Harold Lindquist, Youngsville, and Miss Viola Erickson, Warren; also one brother, Luther, and a sister, Miss Sophia, both of Warren; four grandchildren, several nieces and nephews.

Removal has been made to the Templeton Funeral Home, where friends will be received at the usual hours, starting at 2:00 p. m. Wednesday, and where services in his memory will be held at 2:00 p. m. Friday. The Rev. Roger D. Morey, pastor of Bethel Evangelical United Brethren church,

will officiate and interment will be made in Pine Grove cemetery at Russell.

MRS. MINNIE GRAY

Mrs. Minnie Gray, aged 88, died at the home of Mrs. Laura Hopkins, 169 Steele street, Jamestown, N. Y., Monday afternoon at five o'clock. She is survived by a son John Young, Sugar Grove, six grandchildren and seven great grandchildren. She was a member of the Spiritual Science church, Jamestown. Removal was made to the Schoonover Funeral Home Sugar Grove, where friends may call, and from where services will be held Wednesday afternoon at two o'clock. Interment will follow in the cemetery at Niobe, N. Y.

MRS. DELIA L. LANDERS

Mrs. Delia L. Landers, former resident of Warren, died at 6:00 a. m. today at the home of her son, Leo, 6 1/2 West Main street, Corry. Born in Charlotte Center, N. Y., on November 4, 1873, she formerly lived in Sinclairville, N. Y., and in Warren, leaving here 13 years ago. While in Warren, she was a member for many years of Grace Methodist church.

Surviving are two children, Mrs. Frank Isaman, Warren, and Leo L. Landers, Corry; four brothers and sisters, Fred Harper, Dewittville, N. Y.; Charles Harper and Mrs. Thomas Mason, Sinclairville; Mrs. Guy Tarbox, North Warren; also several grandchildren, nieces and nephews. Her husband, Norman W. Landers, preceded her in death. Removal has been made to the Peterson Funeral Home here, with announcements for services to be made later.

CHARLES EDWARD ALLEN

Services were held at nine o'clock this morning at Holy Redeemer church for Charles Edward Allen, 21 Oak street, who died Saturday. Father M. E. Dalley, pastor, celebrated the high mass of requiem, and the following served as bearers for interment in the family plot in St. Joseph's cemetery: Edward and David Allen, grandsons; Dr. C. J. Frantz, Leonard Hansen, Eric Nystrom and Wendell Lopez.

In attendance from away were Mrs. W. W. Heaton, Chicago, Ill., and Donald Allen, Cambridge, Mass.

MRS. AMY C. ACOCKS

Services were held at 2:30 p. m. Monday in the Young Funeral Home, Youngsville, for Mrs. Amy C. Acocks, Pittsfield. The Rev. Harold Lindquist, pastor of Youngsville Evangelical United Brethren church, conducted the service and the following served as bearers for interment in Wrightsville cemetery: Will Durlin, Will Gray, Homer Wolfe, George Anthony, Thomas Hackman and Charles Anthony.

Attending from away were Anton Lindquist and Mrs. Margaret Arthur, Akeley; Mrs. Ed Abraham and Donald Abraham, Youngsville; Mrs. Marie Sobock, Mr. and Mrs. Thomas Hackman, Pittsfield.

Mrs. Acocks was born in Lottsville on September 25, 1872, and died at Pittsfield on February 27. She leaves one daughter, Mrs. Albin Abraham, Pittsfield, and six grandchildren.

IN MEMORIAM

In loving memory of our dear son and brother, Pfc. Peter A. Mangini, Jr., who passed away eight years ago today, March 3, 1945.

Dearest to us than wealth untold,
Was the son and brother with
The heart of gold.
Happy, smiling, always content,
Loved and respected wherever
he went.
Always thoughtful, willing and
kind,
What a beautiful memory he left
behind.

Lifelong Resident Of Warren County Dies in Youngsville

Harry Batson, about 78 years of age and a lifelong resident of Warren county, died at 6 a. m. today in Youngsville after an illness of several months. The deceased had been critically ill for a week. Until removed to Youngsville some time ago he had been confined to the Warren General Hospital.

Harry Batson was born in Lottsville, a son of the John Batsons, who were liberated slaves. They later resided in Sugar Grove, and he had lived in Youngsville for over 40 years. He was employed at the old Youngsville Saddle Works where he became foreman of the stitching department. When this firm went out of business, Mr. Batson started a shoe repair shop and he was known as an expert leather worker.

When 40 years of age, the deceased was still competing as a runner and held an unofficial world's record for the 100-yard dash. He was an outstanding jumper and 220-yard man.

No near relatives survive Mr. Batson. He was preceded in death by two brothers several years ago. One of the few colored residents of the county, he was respected and well liked in Youngsville.

Removal has been made to the Young Funeral Home, Youngsville, where funeral services will be conducted by Rev. Carl Franzen, pastor of the Youngsville Lutheran church, at 2:30 p. m. Thursday. Commitment will be made in Sugar Grove where relatives of the deceased are buried. Friends may call at the usual hours, starting at 2 p. m. Wednesday.

Contest for Council Looms in Fifth Ward

A contest for nomination to Warren Borough Council may develop in the heavily populated Fifth Ward where a petition is being circulated for Blain M. Mead, 101 Lookout street, who would oppose Robert O. Wilder, of 12 Beaty Court, in the May primaries. Both are Republicans.

S. H. Rasmussen, the present incumbent and chairman of Council's public works committee, announced 10 days ago that he would not be a candidate for reelection.

It is understood that Paul W. Yagge of the sixth ward, who had previously announced he would not run again, will be a candidate to succeed himself.

Thomas J. Conway of 116 East Wayne street, has announced his candidacy for the seventh ward, to succeed Manley Overturn, while T. L. Armstrong of 207 Fourth avenue, is a first ward candidate to succeed Council President William E. Rice, candidate for Burgess. Mr. Armstrong's petition was filed this morning at the court house.

Victims Outwit Bandits By Hiding \$102 in Shoes

Oklahoma City, March 2 (AP)—Melvin A. Westmoreland, 25, Otis A. Carey, 21, and their 18-year-old dates, Pat Phillips and Gale Nelson, told police that two gunmen opened the door of their parked car Sunday, forced them into the back seat, and drove to a lonely country road before robbing them.

During the interlude the victims stuffed \$102 into their shoes. The gunmen searched them, found

Rockets Beat Wiggers, Stylists Lose to Certified

THIRD, FOURTH PLACES TAKEN BY WINNERS

The Maroon clad Rockets took a substantial hold on third place in the YMCA-City cage league last night, when they rolled over Youngville Wiggers by a score of 51 to 39. In the night cap Certified edged into fourth place by defeating the Style Shop, 53-38.

Playing with a depleted squad, the Rockets were on the short end of 10-8 scoring the first stanza, but warmed up to a 24-20 half time advantage and went on from there to hand the out-of-towners their 13th consecutive defeat in league play.

Nick Croola popped eight fielders for 16 points and the night's individual scoring laurels, while Fran Masterson and Clark Grosch followed with 15 and 13 counters respectively. McKinney was top pointmaker for Youngville with 13 markers.

Outscoring their opponents in the first three frames, Certified held a 19-point spread over the Stylers, 40-21, before the losers rallied for 17 in the final chapter. Chuck Irvin led Certified's attack with 15 points, Campbell next with 12, while Paul and Vern Smith combined for 21 of the Style Shop's total.

Ron Isackson High Scorer Despite His Seige of Bad Luck

Ron Isackson, who has had as much bad luck as any Dragon during the 1952-53 campaign, topped the Warren High individual scoring race by collecting 216 points in his 18 games played of the 21-game slate. The big guard earned a 12-point game average on 82 field goals and 52 foul shots.

Behind Isackson, and the only other eager of Coach Joe Massa to hit the 200 mark, was Bob Wilson. Playing center on the first five, Wilson hit a 209 total in the full 21 contests for an average of almost 10 points.

In the 1951-52 season Isackson ranked fourth in scoring with 128 points in 21 tilts.

The Dragons' speedy midget, Bob Harrington, garnered 163 points, Dick Hartnett had 153, and Gary Ettinger, who missed three games because of injuries, was fifth with 152. Gary was sixth in pointmaking in his first season of play, and is the only member of the starting five back for the next campaign.

In all around team scoring the Dragons outpointed their opponents 1,140 to 1,127 over the full card in which they won 11 and lost 10.

LIGHTEST IN EIGHT of all his opponents, plus the fact that this is his first year of college wrestling, has won Bob Benson the highest praise of his teammates and coaching staff for his performance to date with Lock Haven State Teachers. Thus far Bob, and ex-Warren High 185-pounder, has a 6-5-1 record for the season, and in addition he is to compete in the State Teachers College Tournament scheduled for Lock Haven's Thomas Field House on Friday and Saturday, March 6 and 7. In an average match Benson has had to compete against opponents who are anywhere from 13 to 35 pounds heavier than he, grappling in the unlimited class. He has also earned the praise of opposing coaches and wrestlers for his remarkable ability and strength.

Section Two Officials to Draft Basketball Schedule at Dinner Meeting on Wednesday Night

Warren High school will be host to 30 administrators and physical education instructors, when the Section Two, District 10 dinner-meeting is held at Carver Hotel at 6:30 p. m. Wednesday.

The purpose of the meeting is to draw up the 1953-54 basketball schedule for the six-team league. President Joe Massa, Warren High basketball coach, will be in charge of the session.

The following representatives will be here: Franklin—Supt. H. H. Moore, Principal H. F. Newell, Director of Athletics Tredwell, and Coaches Dutkin, Eakin and Uram; Meadville—Supt. Warren P. Norton, Director of Athletics Ditty, and Coaches Joy, Sackett and Grubbs; Oil City—Supt. H. V. Grambling, Principal C. H. Townsend, Director of Athletics J. O. Kaufman, and Coaches Wells, Jones, Etzel, Houtz, and Shoup. There will be six from Titusville and five from Corry.

Through The Wind Tunnel

Here's a chance for some reader to win two free tickets for the Library theatre. The tickets will go to the writer of the first letter we receive which tells how Hooktown got its name. "Seeing the name 'Hooktown,' instead of Upper Conewango avenue, as mentioned in your 'Wind Tunnel,' I wonder why it was given that name," writes Mrs. Oscar Donaldson of 7 McPherson street. "As a comparative newcomer to that section, I would not know, but am interested to learn why that name is applied. As for the birds missing their daily food, they get plenty as my broken ribs are getting along nicely."

The thing not to do these days is learn the "Bunny Hop" as sparked by the juke box classic, "Glow Little Glow Worm," etc.

The Rockets, hearing by way of the grapevine that the Sig Eps of Westminster were going to pad their team with some of the 'variety' players, threw wide their doors and ushered the WHS squad in. But several of the Rockets did participate in the game, just to keep the flag flying. The younger additions, playing on their own court, generously contributed 29 of the points which defeated the un-padded visitors.

"This is a bad time of the year around these parts," writes Midshipman 2/C Steve Eisenhauer from the flag-draped halls of the U. S. Naval Academy. "It is known as the 'Dark Ages' and believe me it is dark. I really miss the outside. Spring practice starts March 9. There will be 20 practice days within a 36-day period. It will be rougher now that the two-platoon system is out. I know some good players who are going to be out of luck because of being specialists. Most colleges hate the idea and here at Navy it has caused mixed emotions. As for me, it's going to be hard, playing 60 minutes—now I'll have to get hot on

blocking." Steve said George Knutowski, known as "the little flower," also sent his best regards to friends in Warren county and expects to visit here some time during the coming Summer.

One of Warren's best dancers says she has just become acquainted with a new arrival in town, a young man from Cleveland, and she wishes the local boys would learn to dance the way he does. "So smooch," she chirped, "oh so, so very."

It was coincidentally appropriate that the big Pittsburgh orchestra should travel in three buses of the Harmony Short Line.

Chief topic of conversation at the Savoy breakfast table Monday morning was the loss by Seton Hall, then history repeated itself today.

An overly ambitious foray this bush on Water street started to show its first touch of yellow 'midst Monday morning's wintry blasts.

Nick Marinoble, proprietor of the Riverview Hotel, says that song, "The Shrimp Boats Are Coming," will be the theme at his Marine Room each Wednesday night until further notice. Nick has prepared a special "Eat All the Shrimp You can for \$1.75," and several shrimp lovers are planning a marathon for tomorrow night.

Track Practice To Start in 2 Weeks For WHS Thinclads

The Warren High track and field team will start prepping for another undefeated season in about two weeks, according to Head Coach Loyal Briggs.

With 12 veterans back this season Coach Briggs, who will be assisted by Fred Bell this year, has a fairly bright outlook towards the coming campaign.

Briggs has stated he wants to do all his pre-season work out of doors, providing there is not snow or water on the track, and will only give brief initial instructions in the gym.

In 1952, the average American consumed 161 pounds of meat—69 of them pork and 60 of them beef.

St. Louis to Enter Meet With Brigham Young Also in Line

New York (AP)—St. Louis University entered the National Invitation Basketball Tournament today free of any strings and Brigham Young, another tentative acceptor, appeared virtually certain to show up.

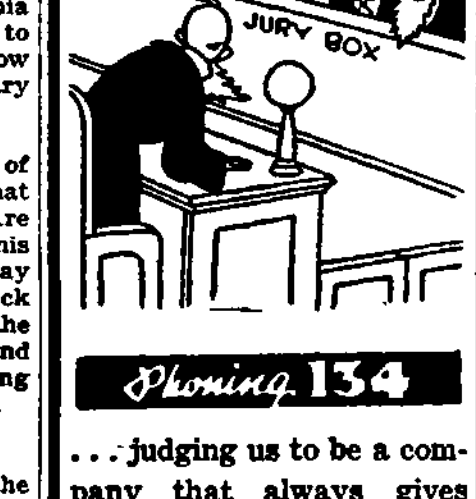

A closing-seconds field goal by Bob Hendrick of Oklahoma A. & M. last night simultaneously put the Aggies into the NCAA playoffs and St. Louis into the NIT. The goal gave the Aggies a 51-50 victory over St. Louis and their seventh Missouri Valley championship in 10 years.

Until its defeat, St. Louis had a chance to share the title and conference rules call for a playoff which would have kept the Billikins out of NIT competition. The Bills accepted an NIT bid Saturday with the privilege of backing out if they became involved in a conference playoff.

Meanwhile, Eddie Kimball, director of athletics at Brigham Young, said he hoped a possible Skyline Conference tie with Wyoming could be settled either by a flip of a coin or by a conference action. The champion is obligated to play in the NCAA Tournament. BYU, which holds a mathematical chance to tie with Wyoming, was invited to the NIT yesterday, completing the 12-team field.

Two more NCAA entries may be determined tonight from the Southwest and Border Conferences. Texas and Texas Christian, which are in a three-way tie for the lead with Rice, play each other while Rice meets Southern Methodist. The two games are the last on the conference schedule.

Warren High Letter Winners in Basketball, Wrestling Are Named

Beaty Junior High Defeats Sheffield, Ends Great Season

The names of 22 Warren High athletes to receive basketball or wrestling letters were released today by J. B. Laidig, director of the school's athletic department. Eleven of the lettermen were wrestlers and the remaining 11 basketball players.

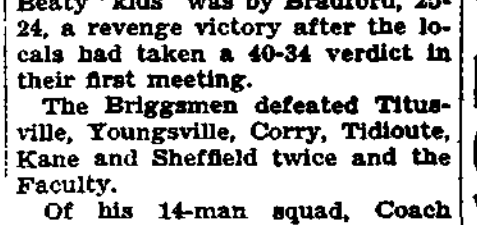

To be awarded the coveted "W" for basketball are Gary Ettinger, Robert Harrington, Richard Hartnett and Ronald Isackson, all two year men, Bruce Duell, Jerry Gordon, Jerry Leonard, Richard Lundahl, Robert Wilson, and managers Donald Smith and Angelo Zinsane. Of these Ettinger, Duell and Gordon will return next season.

Those receiving "W's" for wrestling are Manager William Barrett and Walter Pittman, the only two seniors, Dennis Brown, Glenn Cook, Donald Cummings, Louis Cummings, Charles Eaton, LaVerne Hanson, Robert Landers, Wayne Miller and Robert Smith. This leaves eight returning veterans for service next year.

Brown and Cook are three-year lettermen, and Don Cummings, Lou Cummings, Landers and Smith are two-year men.

Coach Loyal K. Briggs' 1952-53 Beaty Junior High cage edition has completed an outstanding season of 14 victories and a lone defeat. The Blue and Gold foormen chalked up the final big one over Sheffield by a 45-21 count Friday afternoon.

Jeff Homan and Ed Rickerson paced the attack with 12 and 10 points respectively, while Hoden hit the bucket for eight to lead Sheffield.

The only loss inflicted on the Beaty "kids" was by Bradford, 25-24, a revenge victory after the locals had taken a 40-34 verdict in their first meeting.

The Briggsmen defeated Titusville, Youngville, Corry, Tidioute, Kane and Sheffield twice and the Faculty.

Of his 14-man squad, Coach Briggs only loses six to the high school. They are Jeff Homan, one of the finest looking prospects to come out of the ranks, Nelson, Fuelhart, Jack Shattuck, LeTrent, and Fitzgerald. Coming back for next season are Ed Rickerson, who provided Coach Briggs with plenty of height this season, Berghine, Powley, Ron Martin, Scallie, Griffin, Bennett, and Ken Hoffman, who is only a seventh grader this year.

Irvine Gun Club In Close Victory Over Youngville's Team

The names of 22 Warren High athletes to receive basketball or wrestling letters were released today by J. B. Laidig, director of the school's athletic department. Eleven of the lettermen were wrestlers and the remaining 11 basketball players.

To be awarded the coveted "W" for basketball are Gary Ettinger, Robert Harrington, Richard Hartnett and Ronald Isackson, all two year men, Bruce Duell, Jerry Gordon, Jerry Leonard, Richard Lundahl, Robert Wilson, and managers Donald Smith and Angelo Zinsane. Of these Ettinger, Duell and Gordon will return next season.

Those receiving "W's" for wrestling are Manager William Barrett and Walter Pittman, the only two seniors, Dennis Brown, Glenn Cook, Donald Cummings, Louis Cummings, Charles Eaton, LaVerne Hanson, Robert Landers, Wayne Miller and Robert Smith. This leaves eight returning veterans for service next year.

Brown and Cook are three-year lettermen, and Don Cummings, Lou Cummings, Landers and Smith are two-year men.

Irvine Gun Club scored a close win over Youngville Legion in a War-Mac League rifle match fired Saturday evening at the Warren Armory. Final scores were Irvine 997; Youngville 941.

Brown was high man for Irvine with a 194. For Youngville, Bielawski and McConnell shared honors with 193 each.

Big Game Count For State Is Announced

The official big game count, according to individual tags returned by successful hunters in Pennsylvania last year, has been made. The Game Commission reports these totals: Legal antlered deer—27,164 (including 24 killed during the special archery season); antlerless deer—37,829.

The 1952 bag of legal bears was 261, individual reports show.

In 1951 the big game bag was: Legal antlered deer (including 33 by archers), 24,582; legal antlerless deer, 37,952; legal black bears, 429.

Carey Middlecoff Is Winner at Houston

Houston (AP)—Cary Middlecoff, \$4,900 richer, headed for the Baton Rouge Open today as the second leading money winner of golf's winter tour.

The tall Tennessean won the tour's first prize yesterday with a three-under par 69 in a five-way playoff that determined the champion of the \$20,000 Houston Open.

The big check jumped the former National Open champion from 10th place to a close second behind Lloyd Mangrum among 1953's money winners. Mangrum has won \$6,730, including \$170 for a twenty-third place tie here. Middlecoff has collected \$4,271.66.

AIM FOR PERFECT SEASON

Penn State's gymnasts, unbeaten in seven straight meets, four of them during the current campaign, need only wins over Temple and Army to gain their first perfect season and their first Eastern intercollegiate team title in five years.

Jesse Arnette, Penn State's football and basketball hero, may take a crack at college baseball this Spring.

Cornplanter Pistol Shooters Win Over Game Warden Team

"The old trick in the little black bag" worked for the Cornplanter pistol team last night, when they defeated the Game Wardens, 1248 to 1234, on the State Armory range and took over first place in the Warren Revolver League.

The Cornplanter team total was also high for the night, while D. Worley of the Game Wardens won individual recognition with a 294 score.

In the other matches last night Sylvania lost a close one to Irvine, 1122 to 1120, to fall into a two-way tie for second with the Wardens. NARC won the other match from a four-man Youngville team, 1113 to 962.

Cleveland Indians' Big Ten Crown For Hold-Out Problems Indiana Places Its Just Part of Many Team 1st in Nation

By ED CORRIGAN
AP Sports Writer

Four of baseball's top stars still were among the missing in spring training today and the prospects of their signing in the immediate future appeared slim.

The Cleveland Indians are faced with the biggest problem. Both outfielder Larry Doby and pitcher Early Wynn have yet to come to terms and they have been served with ultimatums by General Manager Hank Greenberg.

The New York Giants' captain, Alvin Dark, said at his Lake Charles, La., home that the front office was being "unfair," and that he intends to sit still.

And Ralph Kiner of the Pittsburgh Pirates and General Manager Branch Rickey apparently have reached an impasse in their battle of words that has covered thousands of miles from Havana to Palm Springs, Calif.

Greenberg apparently won't be troubled with second baseman Bobby Avila, who is hated among the holdouts, much longer. For one thing, he didn't include Bobby in his warning to Doby and Wynn, and for another, Avila announced in his Vera Cruz, Mexico, home that he would join the Indians later this week.

Greenberg had this to say via telegrams to Doby and Wynn: "Your failure to report to camp today makes you an official hold-out. Considering generous treatment you have had from Cleveland baseball club over the years, your refusal to accept terms leaves me no alternative but to withdraw my last offer. Unless I hear from you within 24 hours all contractual negotiations will commence with last year's salary figures."

Wynn said he would talk to Greenberg, probably today, and Doby said he would request Greenberg's permission to join the Indians in Tucson, Ariz.

"It looks like Hank is threatening us to sign on his terms or else," Doby observed in his Paterson, N. J., home.

Father Dies While Son Stars in Game

Cleveland (AP)—A city policeman died of a heart attack last night while watching his son lead Penn College in a basketball game against Detroit Tech.

Fenn was ahead 49-44 with one minute to go in the third period when 53-year-old Frank Kunc collapsed. His son, Fred, had thrown in 22 points during the tilt.

Asked by Fenn Coach Homer Wooding what should be done, the youth said he would like the game to be called off. It was ruled "no contest."

Prove THE DIFFERENCE AT THE WHEEL... TODAY!

ACCURATE...POSITIVE

2-Way Hydraulic Control with the **MASSEY-HARRIS 2-Plow 22** and Depth-o-matic System.

Depth-o-matic 2-Way Hydraulic System gives you depth control of both mounted and pull-behind tools anywhere in your field. It's accurate, positive... completely safe. Depth-o-matic is but one of many better farming advantages you have with the 22. Others like 23.91 maximum drawbar horsepower; full-width operator platform; clear unobstructed vision; big 10-34 tires; the weight and power to handle both mounted and pull-behind tools mean the 22 does more work faster, easier, at less cost. And remember, the 22 is the lowest-priced tractor per drawbar horsepower in the 2-plow field.

Stop in for complete details... see us today. Be one of the first on our demonstration schedule.

KNOW YOUR STATE

Prepared for the Times-Mirror
 by the State Planning Board,
 Department of Commerce

NEW EVIDENCE OF PENNSYLVANIA'S INDUSTRIAL EXPANSION

During the past year evidence
 has been presented that Pennsylv-
 ania leads the nation in plant ex-
 pansion of both mines and fac-
 tories. This evidence has come
 from the Defense Production Ad-
 ministration, the Defense Solid
 Fuels Administration, and the U.
 S. Bureau of the Census. The lat-
 est Survey of Manufactures by the
 U. S. Census showed that in Penn-
 sylvania the expenditures for build-
 ing new plants, or for renovating
 old plants which had not been in
 operation, exceeded the combined
 total of our three closest rivals,
 Texas, Michigan and North Caro-
 lina, in 1951.

The Defense Solid Fuels Admin-
 istration reported last year that
 Pennsylvania exceeded all other
 states in the development of coal
 mines and in the construction of
 coke and coal chemical plants for
 the national defense.

New testimony as to Pennsylv-
 ania's progress comes from a
 source which must certainly be
 considered unbiased—a report on
 industrial expansion issued by the
 Commonwealth Edison Company
 of Chicago, and based on the En-
 gineering News-Record total of
 large industrial contracts let in the
 United States. This report shows
 that, from the close of the Second
 World War to June of last year,
 the large contracts awarded for
 construction of new industrial
 plants and equipment in Pennsylv-
 ania exceeded the total of any
 other state in New England, the
 Middle East, the South West, the
 North East, the Central Region,
 the North West or the Far West.

The total value of Pennsylv-
 ania's large contracts, \$68,213,-
 000, may be compared with \$182,-
 375,000 in New York; \$142,677,-
 000 in New Jersey; \$178,439,000 in
 New England; \$451,638,000 in Illi-
 nois; \$448,516,000 in Ohio and
 \$451,561,000 in California. That
 this record is not based solely on
 any single large plant is shown by
 the fact that the number of such
 construction contracts in Pennsylv-
 ania was greater than that of any
 state in its area.

In the 7-year period from June
 1945 to June 1952, the total value
 of large plant construction con-
 tracts in Pennsylvania exceeded
 the combined total in all three
 states on the Pacific Coast by
 nearly \$30,000,000. In addition to
 this record, as reported by the Chi-
 cago public utility company, Penn-
 sylvania was the only state with
 two metropolitan areas among the
 first five in the nation in the value
 of contracts awarded for indus-
 trial expansion.

Clare Crary's Photography Is Enjoyed by Warren Rotarians

Members of the Warren Rotary Club were entranced by the beautiful color photography of Mr. and Mrs. Clare J. Crary as shown by Mr. Crary at their luncheon meeting in the YWCA, Monday, in collection of pictures dealing with "The Four Seasons in 'arren."

Mr. Crary prefaced his showing with a few remarks about Warren, its beautiful river turnings, buildings, highways, trees, and its people. Spring brought forth the azaleas, the juniper, the dogwood, wonderful beds of flowers, and Summer included many action shots of the July 4th parade, the circus, Pleasant township horse show, swimmers, and pictures of homes and city buildings. Fall foliage pictures featured the autumn, together with shots of participants in the East Street school's Halloween parade, farm and hunting views. Snow-covered ridges and other Allegheny river views were typical of winter. The Rotarians laughed at the antics of tame raccoon reared by Jackie and Butch Taft. After showing a

third of his collection of stills, Mr. Crary had a couple reels of local movies for his audience, which included marvelous view of the various bands and drum and bugle corps which took part in the parade. He promised to return "in a year or two" with new pictures, and was heartily thanked for his entertainment. Mr. Crary was introduced by Calvin W. Barwis, program chairman for March.

The Rotarians elected seven directors yesterday: Dr. David Rice, Ernest T. Johnson, Wallace H. Cowden, W. LeRoy Schneek, Gerald M. Newton, E. R. Sanford and Charles H. Frantz. They in turn met after the luncheon and elected officers as announced in Monday's Times-Mirror: E. R. Sanford, president; Gerald M. Newton, vice president; Percy Belknap, secretary; and Neil D. Patterson, treasurer.

W. LeRoy Schneek announced the opening of the Red Cross campaign and urged the club members to give not only what they gave in 1952 but to increase their donations by 10 per cent.

SCHOOL NEWS!

Among the modern educational ideas in school curriculum, being used in the Warren public school is the seventh-grade studies course which combines world history with world geography and replaces the former class in geography.

This new course, taught by Miss Louise Escobar at Beaty Junior High School, aims to help the students associate the past with the present and to see the contrasts between ancient and modern times.

In Miss Escobar's classes last week the students began a review of their study of China by making reports on important topics. Library books and other materials were used in preparing these oral reports, which lasted about five minutes each.

Areas of Chinese life, as the government, religion, transportation, and cities, were chosen and the students compared the past with the present in each report. Several talks on Chinese religion pointed out that superstitious beliefs have hindered the growth of the Chinese nation, while the reports of government made com-

parisons between the former rule and the contemporary government. What means of transportation and what handicaps the Chinese people face in traveling were among the questions answered in the consideration of transportation facilities.

Miss Escobar states that the students also brought out differences between the mode of life in cities, as found in Shanghai and Hong King, and the way of living in the hills of China. Brief histories of the major cities were given.

SYLVANIA DIVIDEND

Directors of Sylvania Electric Products Inc., meeting in New York last week declared a dividend of fifty cents per share on the company's common stock. The board also declared regular quarterly dividends of \$1.00 per share on the \$4.00 cumulative preferred stock and \$1.10 per share on the \$4.40 cumulative convertible preferred stock. Dividends on the common stock and both preferred issues are payable April 1, 1953, to stockholders of record at the close of business March 16, 1953.
